Fishers Rotary Meeting via Zoom Until Further Notice

Community Healthcare providers are struggling to provide care due to the recent surge in COVID-19 related cases. While we all hope and pray for an end to the pandemic, Fishers Rotary is minimizing the potential of increased exposure by and to members of our Club by temporarily returning to virtual meetings. Effective immediately and until further notice, our weekly Club meetings will be conducted exclusively **via Zoom**. We will continue to meet 7:00-8:00am on Friday mornings.

Please note that a passcode is required to access the meeting via Zoom. While the Zoom information is provided on our public website, the passcode is not, and guests are asked to contact a Fishers Rotarian for that information if they would like to attend (and guests are still very much invited to attend!).

Watch your email and this newsletter for occasional passcode updates to ensure you have the current information.

Just log in at:
<https://us02web.zoom.us/j/84360279451?pwd=K21maEZnWTIxWk5GVkUxMmWdLbE9DUT09>

Meeting ID: **843 6027 9451**

Passcode: **557390** [this passcode is for security reasons and therefore not published on our website]

We hope to see you online on Friday!

Upcoming Program

January 21:

[High Speed Rail Alliance](#) is a growing community working to bring the game-changing power of fast, frequent and affordable trains to North America. They advocate that high-speed trains, integrated with expanding transit networks, will revitalize cities, towns and regions by making visits to family, friends and business partners easier, more productive and more affordable. And they will dramatically reduce carbon emissions in the process.

Our Rotary Club has committed to five (5) SAWS ramp builds during the calendar year 2022. Five teams of four people are coordinating each build, with each team choosing the build date and soliciting an additional 4-6 people to complete the build team.

Three Build Dates Have Been Confirmed and Added to the Club Calendar

- Saturday, April 30th: [SIGN UP](#)
- Saturday, May 14th: [SIGN UP](#)
- Saturday, June 4th: [SIGN UP](#)

The remaining two build dates will be added to the calendar as each team selects their bid date.

Sign-ups are open once the event is on the calendar. Check your calendar, or simply use the "SIGN UP" links above, and sign up for a ramp build; it's a lot of fun and in just a few hours we positively impact someone's life!

The location of each build will be determined 2-3 weeks prior to each event. All builds will be in the Indy metro area (generally within a 30-45 minute drive). Builds typically start around 8:30am and finish by noon.

SIMPLY USE THE LINKS NEXT TO EACH DATE ABOVE TO SIGN UP TO PARTICIPATE.

If you have any questions about the builds, please contact Scott Tornquist at scott.tornquist@gmail.com.

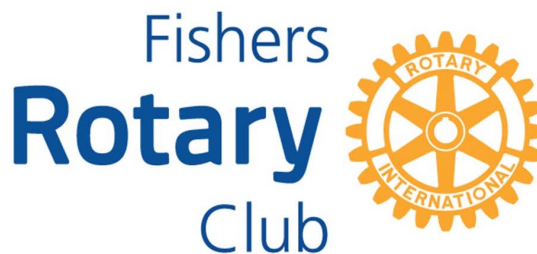

Keep It Interesting...

If you are a committee chair with an announcement, or a club member with some fun news, please sent it my way!

Let's keep this newsletter interesting and relevant for all members! Send your stories, updates & pictures to Club Editor [Mark McSweeney](#) for inclusion in the next issue of the Fishers Rotary Newsletter. *Submission deadline is each Monday at noon.*
