What is IMPACT Club?

Time is a precious resource. We are all becoming experts at multitasking, being more productive, and trying to do it all. While we run the race of daily life, we find that something is missing. We can identify that missing piece as an unfulfilled need to serve our communities.

Everyone has this need. We all know about the wonderful non-profit agencies and service clubs in our own communities. They are well organized, with members attending regular meetings and social hours. Unfortunately, not everyone has time to attend these worthwhile events. They do, however, have time to serve.

IMPACT was formed to meet the needs of individuals who recognize their personal drive to serve but cannot commit to regular meetings. IMPACT started as a companion club (officially called a "satellite") recognizing the need for an organized structure and an opportunity to quickly perform service between individuals' busy schedules.

SAWs 2024!

By Scott Tornquist

The Fishers Rotary Club plans to build five (5) SAWS ramps in 2024. Scheduled projects thus far include:

- Saturday, May 18 (4-5 remaining open slots)
- Saturday, June 18 (4-5 remaining open slots)
- Saturday, August 10 (4-5 remaining slots)

Builds are added to the Club calendar on DACdb as they are scheduled, as are the names of Club members that will be on the build.

If you'd like to register for a build please inform Scott Tornquist (scott.tornquist@gmail.com; 3174735478) so we can reserve a spot for you!

SAWs® is a nonprofit, volunteer organization founded in 2003. Originally started in Indianapolis, our organization serves clients across Indiana, as well as Arizona and Virginia. We specialize in building wooden wheelchair ramps for low-income, permanently disabled individuals. With the support of our donors and volunteers, lives are changed one ramp at a time and in less than six hours we transform a client's life FOREVER.
