Next meeting:

Tuesday, February 27th 6-7:15pm at Come to Me Food Pantry

SAVE THE DATE! Our next meeting is scheduled for Tuesday, February 27th from 6:00-7:15 at the Come to me Food Pantry located next to the Fishers United Methodist Church on 116th Street. Linda Williams, the Director, will be speaking to our group and giving a tour. We will present food donations, birthday buckets and a monetary donation at the meeting. There will be beverages, snacks and an activity for the kids that join us. Please continue to collect what you can to donate that evening. As always, spouses, family, friends, guests and kiddos are welcome and encouraged to join in.

What is IMPACT Club?

Time is a precious resource. We are all becoming experts at multitasking, being more productive, and trying to do it all. While we run the race of daily life, we find that something is missing. We can identify that missing piece as an unfulfilled need to serve our communities.

Everyone has this need. We all know about the wonderful non-profit agencies and service clubs in our own communities. They are well organized, with members attending regular meetings and social hours. Unfortunately, not everyone has time to attend these worthwhile events. They do, however, have time to serve.

IMPACT was formed to meet the needs of individuals who recognize their personal drive to serve but cannot commit to regular meetings. IMPACT started as a companion club (officially called a "satellite") recognizing the need for an organized structure and an opportunity to quickly perform service between individuals' busy schedules.

SAWs 2024!

By Scott Tornquist

The Fishers Rotary Club plans to build five (5) SAWs ramps in 2024. Scheduled projects thus far include:

- Saturday, May 18
- Saturday, June 15
- Saturday, August 10
- Saturday, August 24
- Saturday, September 21

Builds are added to the Club calendar on DACdb as they are scheduled, as are the names of Club members that will be on the build.

If you'd like to register for a build please inform Scott Tornquist (scott.tornquist@gmail.com; 3174735478) so we can reserve a spot for you!

SAWs® is a nonprofit, volunteer organization founded in 2003. Originally started in Indianapolis, our organization serves clients across Indiana, as well as Arizona and Virginia. We specialize in building wooden wheelchair ramps for low-income, permanently disabled individuals. With the support of our donors and volunteers, lives are changed one ramp at a time and in less than six hours we transform a client's life FOREVER.

Please contact Janet Pritchett at jmpritchett11@gmail.com to suggest content for the website or Club Bulletin. Submission deadline is Monday at noon.

District Governor Letter

By Jennifer L. Stanfield

What are the top two reasons people join Rotary? Research by Rotary International reveals members report overwhelmingly that they joined for friendships and to make a difference in their community. Are we creating those opportunities for the members of our clubs? The best way to build friendships is to do activities together. And if those activities we do together involve fulfilling a need in our community, even better the bond of friendship grows. I love seeing all the activities our clubs post on social media; it lets me know what's going on in our District. Thank you for all you do to make Rotary known in your corner of the world!

As we near November, Foundation Month, we traditionally offer a District Matching Points Campaign to build contributions to the SHARE program of the Annual Fund. This year will be different. I will be meeting with clubs who want to participate in a club-level matching points program via Zoom. First of all, your club needs to name a Club Foundation Chair in DACdb.com so they can receive the link to join the training. There will be no District campaign this year. Your Club President was advised of this at PETS last March. Having served as your District Annual Fund Chair for three years,

I was able to see how the process works first hand... [Read More](#)
