FISHERS ROTARY IMPACT CLUB

Our next Impact Club Meeting will be **Monday, March 25th, from 6:00-7:00 PM** at the Fishers Library. We will be serving pizza, so no need to worry about dinner! In addition, as we enter the second quarter of the year, we will be focusing on the mental health needs of our community. We have an opportunity to make an impact by assisting the Indiana Parkinson Foundation's CHOOSE TO MOVE 5K at Saxony Park on April 27th. Volunteer opportunities include handing out water and serving as Race Marshals. Various time shifts are available and this is an excellent opportunity for families and kids to serve together. Kim Williams, our fellow Rotarian, serves as the Executive Director for the organization and will share her experiences especially the mental health services her clients and families need as they navigate this medical condition. More to share at our meeting. In the meantime, if you could reply via email or text, if you can join us, we can make sure to have enough Pizza, beverages and seats for the meeting.

What is IMPACT Club?

Time is a precious resource. We are all becoming experts at multitasking, being more productive, and trying to do it all. While we run the race of daily life, we find that something is missing. We can identify that missing piece as an unfulfilled need to serve our communities.

Everyone has this need. We all know about the wonderful non-profit agencies and service clubs in our own communities. They are well organized, with members attending regular meetings and social hours. Unfortunately, not everyone has time to attend these worthwhile events. They do, however, have time to serve.

IMPACT was formed to meet the needs of individuals who recognize their personal drive to serve but cannot commit to regular meetings. IMPACT started as a companion club (officially called a "satellite") recognizing the need for an organized structure and an opportunity to quickly perform service between individuals' busy schedules.
