Message from the President

Fishers Rotarians,

Spring Break is around the corner for most schools, so I thought it might be appropriate to maybe give everyone a break. Let's cancel the Rotary meeting for April 9th. (Have fun during Spring Break!) Let's also change the board meeting to April 14th. Hopefully, by the time Spring Break is over, we will be 1 step closer to meeting in person again. Randy and I have been discussing possible dates and we might shoot for April 16th. We have Fishers Chief Of Police, Ed Gebhart, as our speaker on April 16th, so this might be a good time to try our live meeting again. Right now,

Fishers is still requiring gatherings of 50 or less (Without permission) and for participants to practice social distancing, along with wearing face masks. I would like to see everyone please abide by the rules and keep us all safe.

More to come on the live meeting, but please know that we'll be off on April 9th. (And Board Meeting will be April 14th) It's exciting that we are nearing a transition for the club again. Seems like forever that we've been on Zoom, so a hybrid solution sounds refreshing. We will still have our Zoom capabilities for live meetings as well, so if you feel more comfortable attending that way, please continue to do so. We may even try something different along the way with different locations.

The Fishers Rotary Club is championing the collaborative [Mental Health Initiative](#) in an effort to raise awareness of the mental health challenges that exist in our community, and ensure that our residents have access to resources that will both prevent crisis and help individuals when crisis occur. In order to make real strides on this front, we must endeavor to become a stigma-free community. The COVID-19 pandemic has only magnified this need greatly.

Community Garden

STRAWBERRIES!

We're excited that this year we expect our first harvest of strawberries from our club's garden! We will need to package them for delivery to the food pantries, so club members can help by saving clamshell containers from the grocery. We will need them in June and will arrange to get them from you or collect them at future in-person meetings. Thanks to all!

Keep It Interesting...

Folks, the newsletter has gotten rather barren in terms of content lately. If you are a committee chair with an announcement, or a club member with some fun news, please send it my way!

Let's keep this newsletter interesting and relevant for all members! Send your stories, updates & pictures to Club Editor [Mark McSweeney](#) for inclusion in the next issue of the Fishers Rotary Newsletter. *Submission deadline is each Monday at noon.*
