SAWs Project!

As Rotarians, we are all committed to Service Above Self, and a SAWS (Servants At Work) ramp build is a great way to fulfill that commitment while having fun and getting to know our fellow members better!

We have two upcoming opportunities on May 18 and June 22 to help a disabled person live a more active life. The specific locations have not yet been announced, but the ramp builds generally are within a half-hour drive of Fishers (and we usually carpool).
