**Why:**  
 To raise Funds to support our key values:  
 EDUCATE · ENCOURAGE · EXERCISE

The next Impact Club get together will be on Saturday, April 27th at the Choose to Move 5K.

We have an opportunity to make an impact by assisting the Indiana Parkinson Foundation's CHOOSE TO MOVE 5K at Saxony Park on April 27th. Volunteer opportunities include handing out water and serving as Race Marshals. Various time shifts are available and this is an excellent opportunity for families and kids to serve together. Kim Williams, our fellow Rotarian, serves as the Executive Director for the organization and will share her experiences especially the mental health services her clients and families need as they navigate this medical condition.

You can also visit <https://www.indianaparkinson.org/choose-to-move-race/> to sign up to participate or volunteer.

This is our 12th annual Choose to Move to Beat Parkinson's. This event is not just a race, it is an event to raise awareness for those living with Parkinson's and their families. This is also our biggest fundraiser of the year as well. These funds go to support the valuable programs and services that we provide throughout the year to hundreds in Indiana and beyond.

*What is IMPACT Club?*

Time is a precious resource. We are all becoming experts at multitasking, being more productive, and trying to do it all. While we run the race of daily life, we find that something is missing. We can identify that missing piece as an unfulfilled need to serve our communities.

Everyone has this need. We all know about the wonderful non-profit agencies and service clubs in our own communities. They are well organized, with members attending regular meetings and social hours. Unfortunately, not everyone has time to attend these worthwhile events. They do, however, have time to serve.

IMPACT was formed to meet the needs of individuals who recognize their personal drive to serve but cannot commit to regular meetings. IMPACT started as a companion club (officially called a "satellite") recognizing the need for an organized structure and an opportunity to quickly perform service between individuals' busy schedules.

### Election 2024: Politics and Rotary

By Jennifer L. Stanfield on Sunday, April 14, 2024

As the US gears up for the 2024 presidential election, it is important to remember that Rotary is apolitical. The [attached document](#) outlines the RI policies that apply to politics and politicized subjects and Rotary clubs. Following the guidelines helps reduce club conflicts, political tension, and public relations responses. Please feel free to contact your Assistant Governor or DG Jennifer for guidance or with any questions.
