This Week's Program

April 23: Jeremy Miller

Jeremy served in the Army as a Green Beret in the Special Forces and has served in two conflicts ♦ Somalia in 1992 and Afghanistan in 2009. Jeremy is no stranger to hard work, selfless service, and perseverance. As an accomplished entrepreneur, he founded and manages a software development company. He has become a seasoned real estate investor, including holding his license as a broker and level III tax assessor. He has also started a cybersecurity company allowing him to join the cyberwar and help protect our country, its companies and their families.

The Fishers Rotary Club is championing the collaborative [Mental Health Initiative](#) in an effort to raise awareness of the mental health challenges that exist in our community, and ensure that our residents have access to resources that will both prevent crisis and help individuals when crisis occur. In order to make real strides on this front, we must endeavor to become a stigma-free community. The COVID-19 pandemic has only magnified this need greatly.

Community Garden

MARK YOUR CALENDARS!

BPD (Big Planting Day): MAY 15, 2021 8 am ♦ noon

Last year was a record year for producing fresh vegetables for those in need within our community. With the onset of warmer weather it's now time for us to get ready for some important work in the garden. Please mark your calendar for our annual big planting day, **Saturday, May 15th**, weather permitting, of course. We will have hundreds of plants that were grown by Brawner's Greenhouse that have to get into the ground that day, including tomatoes, cabbage, kale, cauliflower, peppers, broccoli, eggplant, sweet potatoes, etc. We'll plan to start by 8 am, but some of us will be there earlier. If you can only give an hour or two then we still want you to come. All of the plants will need to be planted and we hope to wrap up around noon. Please bring the following items with you:

Work boots and gloves, hats, sunscreen ♦ it will be dirty or could be a bit muddy

Hoes, garden rakes (not leaf rakes), spade, trowel or shovels

Water & Advil (for those aches and pains)

We have several people who have agreed to be crop captains and we want to spread the workload a bit. If you'd like to pair up with someone then please let Jeff Wilson know how you'd like to help. Let's focus on getting families and kids involved, especially since our club strategic plan is focusing on youth. If you don't have experience growing plants we have detailed print outs for planting, caring for and harvesting each individual crop. Plus, we have many members who have years of experience gardening who can guide you. Here is a list of those who are already committed to helping and also a list of vegetables that still need teams:

Potatoes ♦ Mark Budreau, Alex Perkins and his son, Parker

Strawberries ♦ Michele Whelchel

Eggplant & Broccoli ♦ Bill Jerrow & TBD

Tomatoes ♦ Bob & Susan Guindon

Asparagus ♦ Bill Duquaine (new member!)

Squash, Zucchini & Cucumbers ♦ Barb & Dave Reid & TBD

Orphaned veggies seeking a loving family

Peppers ♦ Sweet & Jalapenos

Red Cabbage/Sweet Potatoes

Root crops: Carrots, Onions, Beets, Radishes

Kale, Swiss Chard & Cauliflower

Additional team members needed for Eggplant, Broccoli, Squash and Asparagus
