Triple Your Points by June 30th!

Fishers Rotary & District 6560 will match in points donations made to the Rotary Foundation!

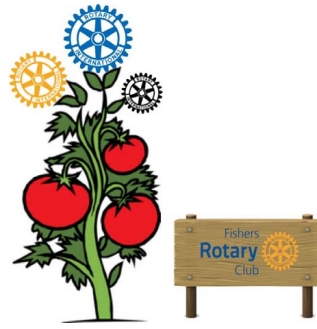

Fishers Rotary Board will match for RI Foundation donations (\$100 minimum and \$500 maximum) made through June 30, 2023. Members can pay by cash, check or PayPal. If paying directly to RI please sure to let our Club Treasurer, Mike Peterson, know so he can provide the matching points.

In addition, District 6560 will also be matching points for each dollar, \$100-\$5,000, contributed to the RI Annual Fund until June 30, 2023!

Here's how it works:

For any donations to the Foundation of \$100-\$500 through June 30, the Fishers Rotary Club will match that in points toward your next (or first!) Paul Harris recognition. So a donation of \$100 becomes 200 points (100 pts for your donation + 100 pts from the Club). And with the District match, your contribution doubles again (100 pts for your donation + 100 pts from the Club + 100 pts from the District)! Every 1,000 points earns you a Paul Harris recognition, so this is a great way to work toward earning recognition for supporting an incredible organization!

Community Garden

The 2023 Community Garden is off and growing! It was looking dry earlier this week (although late-week rain should help). The weeds are under control and the zucchini is looking good!

Thank you to our amazing volunteers!

SAWs 2023!

Our third ramp build of the year is in the books!

Before | After

The Crew

Help change someone's life in 2023!

Fishers Rotary is coordinating two (2) more ramp builds this year. No previous experience is necessary (we have pros from SAWs onsite to guide us along). We typically meet at the to-be-determined-site at 8:00am and finish with a completed built ramp and cleaned-up worksite by shortly after noon.

Remaining builds scheduled (sites will be announced closer to each build date):

- July 29
- September 16

If you can help on any of those dates, please contact [Scott Tornquist](mailto:scott.tornquist@gmail.com) at scott.tornquist@gmail.com to sign up.

[SAWs®](#) is a nonprofit, volunteer organization founded in 2003. Originally started in Indianapolis, our organization serves clients across Indiana, as well as Arizona and Virginia. We specialize in building wooden wheelchair ramps for low-income, permanently disabled individuals. With the support of our donors and volunteers, lives are changed one ramp at a time and in less than six hours we transform a client's life FOREVER.

SAWs: July 29th Build

July 29th Build Info:

The site for the July 29th SAWS ramp build has been assigned.

The site address is: **8554 Dana Ct., Indianapolis, IN 46324** (included in automated email and posted to DACdb).

If you have already signed up for this build and for any reason you become unavailable for July 29th please find your replacement and let Scott know so registrations can be properly managed.

Thank you for your service!
