Club Assembly & Committee Meetings

Rotary Year '23-'24 is well underway, and our next two meetings will help us set the stage for a great year!

This Friday is a Club Assembly for us to discuss the goals that will be registered with Rotary International (RI), especially how those goals impact the work of our committees. Some committees have already begun to work, and I applaud their initiative! Some time will be set aside on Friday for co-chairs to work with their committees.

This Friday is also an opportunity for our club president to answer any questions or to process suggestions that you may have concerning revisions to the club bylaws, which were sent in an email for your review earlier today. You'll notice the revisions in red and the strikethroughs which indicate elimination of text.

The bylaws require a 10-day period of time between your receipt of recommended bylaw revisions and a club vote on those revisions. Consequently, a vote is scheduled for Friday, July 21st, on these revisions.
