Madison Gonzalez, Executive Director - Morning Light, Inc.

Madison has been with Morning Light for over five years. She has a passion for using her communication, organization, and event knowledge to make a difference in the lives of others in the community. Since Madison joined Morning Light, the organization has doubled its fundraising efforts, started a State Certified CNA school, and won education and storytelling awards. Madison has also brought holidays, celebrations, and quality of life activities to the organization and the Abbie Hunt Bryce Home. "For me, it's about the celebration of life up until the end," she says.

Madison has been responsible for coordinating the highest grossing fundraising events in Morning Light history, and the organization continues to break fundraising records year over year with her involvement. She is primarily responsible for staff leadership, organizational oversight, community partnerships, business development initiatives, media and press collaborations, promotional materials, and communications.

Madison works hard to cultivate community awareness and collaboration. Because of her work, the organization has been featured in a four-part series in the Indianapolis Star, received a wide variety of coverage on local radio and television stations, and was nationally awarded the Storyteller of the Year award in 2019. She now teaches her nonprofit communication methods nationally to help other organizations advance their missions as well.
