### SAWs Build Help Needed!

#### Help Needed for Our August 6 Build!

Our client, Diane, is completely paralyzed on her left side. Mobility requires a wheel chair. The house sits high on a corner lot, with parking/access to the rear. There is no back door, and the side door/patio cannot be used for wheelchair access (a 3x3 landing right inside the door is access to basement stairs and three steps up to the kitchen). The only exit available to Diane is out the front door, which has four steps to grade. Her caregiver (sister) cannot get Diane out of the house in the wheelchair.

Our solution is to build a platform at threshold height at the front door, then add ramps to head west then south to the sidewalk at the side patio. From here it is relatively flat to the back gate.

Two platforms and 31ft of ramp (most of which is offset at an unusual angle) will require a crew of a dozen people. **At this point we really need four more people.** Experience is not required, and all tools are supplied. The project is on the south side (45-minute drive). **We'll start at 8:00 am and hopefully be complete by 12:30.**

Register in advance (we need to know where we are on headcount prior to build day) by contacting Scott Tornquist (317-473-5478; [scott.tornquist@gmail.com](mailto:scott.tornquist@gmail.com)).

Please join our team for the **August 6** build if your schedule permits. In just a few hours working together we'll see Diane out of the house for the first time in months!

If you are able to volunteer, just click the appropriate sign-up link date below or contact Scott directly at the number/email above.

## What's Happening in Fishers Rotary

**2021-2022 ROTARIAN of the YEAR  
JOHN MAGSAMEN**

Congratulations to the Fishers Rotary 2021-2022 Rotarian of the Year, John Magsamen!

John has filled the role of Club Sergeant-at-Arms since 2016. He arrives early for weekly meetings to ensure room set-up is done timely for member arrivals. He handles member check-in and collects funds for happy bucks and the 50/50 drawing. He orders new member badges and handles many other administrative details for the club. He has humbly served selflessly and consistently without any expectation of recognition. Thank you for your service to Fishers Rotary and the world, John!

## Community Garden News

### Bags Needed for Garden Harvest

We are in need of grocery-size bags for the Rotary Community Garden harvest. We are completely out! Please bring any extra bags you have to our Club meeting on Friday morning. Thank you!

## New Member Application

### Yvonne Stokes and Mary Knecht

All active club members should have received an email from Staci Woods on July 18th with a new member application for Yvonne and Mary. If you have any questions or concerns prior to induction, please reach out to either Randy Wheeler or Staci within the next week.

Thank you, and we look forward to welcoming Yvonne and Mary as the newest Rotarians in the world!

## WaterIsLife Donation

This week, Westfield Rotary Club presented Valory Myers with a \$5,000.00 check in support of Fishers Rotary's WaterIsLife project. The money was raised earlier this year through a fundraising event for which Bone Dry Roofing was the major sponsor. Fishers Rotary will include the contribution in its upcoming global grant, or possibly a smaller District Grant.
