Upcoming Program

August 5: Join us at Launch Fishers

David Bolling, Executive Director

This Friday, Fishers Rotary will have a special meeting on location at Launch Fishers in the Huston Theater, 12175 Visionary Way, Fishers, IN 46038 (enter the doors on the southeast by the loading dock and enter the theater). Please note we are unable to provide a Zoom option for this meeting.

Created in partnership with the city of Fishers, [Launch Fishers](#) is a space for entrepreneurs, creatives, and innovators to flex their entrepreneurial spirit. With plenty of spaces for collaboration, inspiration, and growth the open floor concept allows ideas to flow freely from one entrepreneur to another as they all work towards higher goals and more successes. Join us to learn more about the amazing successes and business launches that have been celebrated since the doors opened in 2012.

SAWS Build Help Needed!

Help Needed for Our August 6 Build!

Our client, Diane, is completely paralyzed on her left side. Mobility requires a wheel chair. The house sits high on a corner lot, with parking/access to the rear. There is no back door, and the side door/patio cannot be used for wheelchair access (a 3x3 landing right inside the door is access to basement stairs and three steps up to the kitchen). The only exit available to Diane is out the front door, which has four steps to grade. Her caregiver (sister) cannot get Diane out of the house in the wheelchair.

Our solution is to build a platform at threshold height at the front door, then add ramps to head west then south to the sidewalk at the side patio. From here it is relatively flat to the back gate.

Two platforms and 31ft of ramp (most of which is offset at an unusual angle) will require a crew of a dozen people. Experience is not required, and all tools are supplied. The project is on the south side (45-minute drive). **We'll start at 8:00 am and hopefully be complete by 12:30.**

Register in advance (we need to know where we are on headcount prior to build day) by contacting Scott Tornquist (317-473-5478; scott.tornquist@gmail.com).

Please join our team for the **August 6** build if your schedule permits. In just a few hours working together we'll see Diane out of the house for the first time in months!

What's Happening in Fishers Rotary

**2021-2022 ROTARIAN of the YEAR
JOHN MAGSAMEN**

Congratulations to the Fishers Rotary 2021-2022 Rotarian of the Year, John Magsamen!

John has filled the role of Club Sergeant-at-Arms since 2016. He arrives early for weekly meetings to ensure room set-up is done timely for member arrivals. He handles member check-in and collects funds for happy bucks and the 50/50 drawing. He orders new member badges and handles many other administrative details for the club. He has humbly served selflessly and consistently without any expectation of recognition. Thank you for your service to Fishers Rotary and the world, John!

Keep It Interesting...
