Dr. Rob Bell

Dr. Rob Bell is a noted sport psychology coach, author, and speaker. He has spoken to the NFL, PGA, Marriott, and Walgreens, and has written eight books on Mental Toughness. His most recent book will be released this spring, with the title "I can't wait to be patient." A former university professor, Dr. Bell has published over a dozen journal articles and has been featured on ESPN, The Golf Channel, Runner's World, NY Times, and Stack Magazine.

Rob has worked with three different winners on the PGA Tour and has served as the mental coach for University of Notre Dame, Indy Eleven, an Indy 500 champion, an Olympic Silver Medalist, a grand slam tennis champion, and the USTA National Champion.

Dr. Bell has caddied in over 20 events on the PGA & LPGA Tours. He's also a "product of the product". He's an ironman, who has completed several ultra-marathons and a 100- mile trail run. He hosts the podcast, "[Mental Toughness With Dr. Rob Bell](#)" and interviews experts on mental well-being, mental toughness, and their hinge moments.

Dr. Rob Bell speaks to executives, coaches, and teams about three mental health topics.

1. When to be urgent and how to be patient.
2. Why the process is more important than the product.
3. How to Puke & Rally. It's not about the setback, it's about the comeback. Everyone has puked, but what does it take to rally?

Rob is a graduate of The University of Tennessee, Temple University, and Shepherd University. Rob is married with two children, and you can follow him on twitter or Instagram @drrobbell.
