WaterIsLife Charity Ball 2022

Well, **Christmas Eve is just 4 months away!!!** YIKES, which means that **the next annual WaterIsLife Charity Ball is just over 3 months away** -- this year it will be on Saturday, December 3rd. And, although it is hard to think about Christmas-things when it is 80+ degrees, it is THAT time for us to gather this year's team of people who would like to help.

The basics are well underway, but we could use your help and creativity. As we start to bring all the parts together. So:

- If you like to schmooze, even just a little ... you could be on the hospitality team, or help with the auction items
- If you like to decorate ... you could be part of the setup team, or help wrap and prepare the auction items to look like Santa just dropped off his precious cargo
- If you are an organizer ... you could help with the ticketing and host team, or help get the auction items on to the website
- If you know people ... ;) ... you can let your friends know and see if they might have something they would like to donate, or help by sponsoring the event
- If you just like to party ... then, you can buy a table of tickets or two ... and plan to have one heck of an evening
- OR/AND If you just would like to hangout with some great Rotarians, help anywhere you can and have time for, and come to the meetings and get to know people better ... WELL YOU ARE INVITED!!!!

It is very true, "many hands make light work" ... it is also true, that if you want to help out ... you will be saving lives of thousands of people. Oh, and we have a great time getting ready for this event.

SO YOU ARE INVITED ... PLEASE RSVP TO TOM BRANUM by replying to this email.

The NEXT meeting, if you can make it, is:

- **Tuesday, August 30th at 7:00pm**
- **At Tom's Home ... 8440 Harrison Pkwy, Fishers, IN**
- **Tom's Number: 317-313-8771**
- **We'll have some pizza, and drinks.**

This is an easy one, hope you can plan to be there -- the return on your investment is HUGE. IF YOU CANNOT MAKE IT, but are interested, please

SAWs Build Help Needed!

News from the August 13 Build!

Fishers Rotarian's completed two SAWs ramp projects the weekend of August 13th; a small ramp at one house, and a backyard boardwalk at the house where the Club helped build the ramp the previous weekend (8/6).

Photos of both ramps and the boardwalk are above.

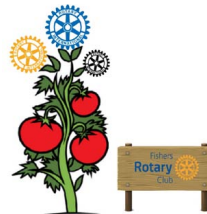

Additionally, project leader and Rotarian Scott Tornquist received a very nice email following the weekend's build;

"Scott thanks again to you and your crew for the beautiful ramp! Ms. Cowherd has not used her front door for a long time because she could not maneuver the steps with or without her walker. The ramp is a huge asset to her life. May you and your crew be blessed to continue blessing others with your fine work."

The weekend was the fifth of five ramps build by Fishers Rotary over the last five months; very impressive!

Thanks to everyone that spent a Saturday morning making a meaningful difference in someone's life.

Community Garden News

All Hands on Deck at the Garden!

We are in full harvest ... not to mention weed-prevention ... mode at the garden, and all help is needed whenever you are available. If you are not sure when you can make it or how you can best help, please reach out to Susan Leonard at susan.leonard1@icloud.com for any and all information!

And a special thank you to Rotarian Mike Kalb and Honey Baked Ham for sponsoring two new beehives. The hives and bees are now installed at the garden!
