Election 2024: Politics and Rotary

By Jennifer L. Stanfield on Monday, August 19, 2024

As the US gears up for the 2024 presidential election, it is important to remember that Rotary is apolitical. The [attached document](#) outlines the RI policies that apply to politics and politicized subjects and Rotary clubs. Following the guidelines helps reduce club conflicts, political tension, and public relations responses. Please feel free to contact your Assistant Governor or DG Santos for guidance or with any questions.
