Many have inquired about helping the thousands of people in the Southeastern US as well as the Caribbean that were affected by Hurricane Dorian. Rotary International has a Donor Advised Fund established to enable participants to help those affected by the hurricane.

Below is a link that will guide you in your contributions in general, or specified to a particular area affected by the hurricane. As Rotarians we know how to come to the aid of those in need. 100% of ALL FUNDS COLLECTED will be used to aid in the

recovery.

The teen survivors Ascent 121 serves often times have suffered extreme traumatic physical and sexual violence that results in layers of hidden wounds. The emotional and mental effects can be persistent and devastating.

Each year Ascent 121 provides clinical recovery services for over a hundred central Indiana teens.

Not only is another person a victim every 30 SECONDS, but the International Labor Organization estimates there are 4.8 MILLION people trapped in forced sexual exploitation worldwide!
