SAWs 2024!

By Scott Tornquist

SAWS is able to accommodate our request to move one of our spring ~25 builds to this fall; this will optimize completion of grant requirements and submission of the requisite support documentation.

Fishers Rotary has been assigned a project for Saturday, October 26. We'll need around eight volunteers. If interested, please email Scott.tornquist@gmail.com, and he'll register you once the project is set up in the volunteer system (NLT 10/11).

We will start at 8am with target completion no later than 1:30PM

SAWs® is a nonprofit, volunteer organization founded in 2003. Originally started in Indianapolis, the organization serves clients across Indiana, as well as Arizona and Virginia. SAWs specializes in building wooden wheelchair ramps for low-income, permanently disabled individuals. With the support of donors and volunteers, lives are changed one ramp at a time.

Election 2024: Politics and Rotary

By Jennifer L. Stanfield on Monday, August 19, 2024

As the US gears up for the 2024 presidential election, it is important to remember that Rotary is apolitical. The [attached document](#) outlines the RI policies that apply to politics and politicized subjects and Rotary clubs. Following the guidelines helps reduce club conflicts, political tension, and public relations responses. Please feel free to contact your Assistant Governor or DG Santos for guidance or with any questions.
