## WaterIsLife Charity Ball 2019

Mark your calendars for Fishers Rotary [WaterIsLife Charity Ball](#), Saturday, December 7th, 2019!

The Fishers Rotary Club, and the Charity Ball Committee, is celebrating 11 years of changed lives for our Water is Life well project in Sierra Leone! Here are some of our accomplishments:

- We have submitted a NEW Rotary Foundation Global Grant application to provide 25 water wells PLUS a concrete water storage tank in order to provide more people with clean drinking water in an innovative way. This would bring our total count of wells up to 155, and more than 300,000 people served!
- All the wells installed over the past 10 years are 100% operational.
- Our wells were integral to helping Sierra Leone get through the most recent outbreak of Ebola.
- Today we know that there are many men, women and children alive thanks to having this

clean sanitary water source near their homes.

- We estimated that about 35,000 lives will have been saved through the efforts of our Water is Life project over a 10-year period!
- The percentage of people in Sierra Leone with at least basic drinking water services has climbed from 39% in 2000 to a forecasted 63% this year!

With your help, we will to continue to bring hope and life to the people of Sierra Leone!

Here's how you can help...

1. Plan to attend this year's [Charity Ball](#)!
2. Bring 2 bottles of wine for the wine pull to a Rotary meeting. Beth Gelhausen is collecting.
3. [Provide or get donations](#) that we can build baskets around (experiences like concerts, plays, theater tix, restaurants, date nights, family movie night, booze, etc.). [Please use this donation form](#) when making donations or contact [sguindon0@comcast.net](mailto:sguindon0@comcast.net) for more information.
4. Spread the word! [Use this letter](#) to learn more about WaterIsLife and spread the word about the difference Fishers Rotary and this event is making in the world!

## Members Doing Good Things!

Our own **Deb Persic** is intimately involved in the planning committee for Indianapolis Oasis Lifelong Adventure, a nonprofit organization that promotes lifelong education for seniors in our community. Check out the work they do by visiting them online at

<https://www.oasisnet.org/Indianapolis-IN>

Deb has recruited our own **Diane Eaton** to speak about her spectacular experience with international travel, so that seniors in the community have an opportunity to share in the enjoyment of travel whether they have personally been able to visit these locations or not. Diane has a couple of classes coming up where she will talk about an African Safari and Antarctica! You are invited to register for and attend either of these classes that will be offered at The Cottage at the Balmoral House.

To find out more information and register, please visit <https://www.oasisnet.org/Indianapolis-IN/Classes>, click on link for Class Location and find the listings for The Cottage at the Balmoral House.
