The impact of Water is Life - pre Gala 2023

The Journey from Head to Heart

The Fishers Rotary WaterIsLife Project began in 2008 – it was logical. Our club was looking for projects that suited our skills sets, passions to make more of an impact, and that took advantage of our main super-power – we were/are Rotarians. We knew if we combined these strengths, we could change the world. It was at that time, in 2008, we saw an opportunity ... we dreamed about what we could do.

And so WaterIsLife began.

ShelterBox Support

ShelterBox Support

With all of the turmoil and anguish in the Middle East, this is an appropriate time to think of supporting those who have lost their homes around the world due to natural disaster or war.

Anyone who wishes to make a donation to "ShelterBox USA" before the end of the year, please bring your checks to our next meeting. Ron and Diane Crawford will gather the checks and send them to SB with a cover letter that will ensure that our club members get recognition for our support. Donations may be tax-deductible.

Fishers Rotary names Rotarian of the Year!

Scott Tornquist is the Fishers Rotarian of the Year, according to an announcement from the Rotary Club of Fishers.

Tornquist was chosen by fellow Rotary members largely because of his work with SAWS, or Servants at Work, for the past eight years.

Read more in this article we submitted, written by Diane Crawford, to Fishers Current (and please share)! <https://www.youarecurrent.com/2023/10/30/fishers-rotary-names-rotarian-of-the-year/>

SAWS® is a nonprofit, volunteer organization founded in 2003. Originally started in Indianapolis, our organization serves clients across Indiana, as well as Arizona and Virginia. We specialize in building wooden wheelchair ramps for low-income, permanently disabled individuals. With the support of our donors and volunteers, lives are changed one ramp at a time and in less than six hours we transform a client's life FOREVER.
