### The Journey from Head to Heart

The Fishers Rotary WaterIsLife Project began in 2008 – it was logical. Our club was looking for projects that suited our skills sets, passions to make more of an impact, and that took advantage of our main super-power – we were/are Rotarians. We knew if we combined these strengths, we could change the world. It was at that time, in 2008, we saw an opportunity ... we dreamed about what we could do.

And so WaterIsLife began.

### ShelterBox Support

ShelterBox Support

With all of the turmoil and anguish in the Middle East, this is an appropriate time to think of supporting those who have lost their homes around

the world due to natural disaster or war.

Anyone who wishes to make a donation to "ShelterBox USA" before the end of the year, please bring your checks to our next meeting. Ron and Diane Crawford will gather the checks and send them to SB with a cover letter that will ensure that our club members get recognition for our support. Donations may be tax-deductible.

## District Governor Letter

By Jennifer L. Stanfield

What are the top two reasons people join Rotary? Research by Rotary International reveals members report overwhelmingly that they joined for friendships and to make a difference in their community. Are we creating those opportunities for the members of our clubs? The best way to build friendships is to do activities together. And if those activities we do together involve fulfilling a need in our community, even better the bond of friendship grows. I love seeing all the activities our clubs post on social media; it lets me know what's going on in our District. Thank you for all you do to make Rotary known in your corner of the world!

As we near November, Foundation Month, we traditionally offer a District Matching Points Campaign to build contributions to the SHARE program of the Annual Fund. This year will be different. I will be meeting with clubs who want to participate in a club-level matching points program via Zoom. First of all, your club needs to name a Club Foundation Chair in [DACdb.com](http://DACdb.com) so they can receive the link to join the training. There will be no District campaign this year. Your Club President was advised of this at PETS last March. Having served as your District Annual Fund Chair for three years, I was able to see how the process works first hand... [Read More](#)
