Join our Club Social Event!

As you all know, Saturday, December 7th is soon approaching and that date is our huge Water is Life Gala celebration. We hope many of you will be attending, sponsoring, and/or donating your time and treasure to help make that event a success.

Before that night happens, the host committee along with the Rotarians/Friends involved with the logistics of helping our Sierra Leone visitors, always have a gathering for those flying across the world to join us at the Gala. This year, we will host that special night at the Wolf Residence. Since we normally do some type of holiday party anyway, this will be it! I realize this is the night before the big gala, so there will be two straight nights of partying with Rotarians. But, it will be a nice relaxed party atmosphere to get the weekend started off right!

By the way, there are multiple visitors coming in from Sierra Leone throughout that weekend. We need HOSTS for them as well. (Might be 1-2-3 nights at most at your home) If interested and available, seek out Tom Brannum or Valorie/Chuck Myers.

Here are the details of the "PRE PARTY!!"

- 1) When: Friday Night, December 6th.
- 2) Time: 6:00pm-10:00pm (People can come and go as your schedule permits) Many of those coming from Sierra Leone may have different dates and times they will be arriving that weekend.
- 3) Where: Wolf Residence---Decorated for the Holidays! 14850 Thor Run Pl, Fishers IN (And yes, the decorations started before Halloween was over!)
- 4) What: Pre Party and hosting of our Sierra Leone guests along with the Fishers Rotary Holiday Party!

What I need: RSVP's! We want to cater this event with Food and Drink. It will help tremendously if we know how many people will be attending. So, please RSVP to me: jimbwolf@yahoo.com, or text me at 317-627-1993.

Thank you all and let's have a great Holiday Party. (Both Friday and Saturday at the GALA) Thanks to all who are donating their time/treasure to make these events successful.

A Simple Reminder? 4-Way Test!

By Valerie Sue Helms-Mejia on Sunday, November 17, 2024

After my Sunrise Rotary meeting, I decided to run a couple of errands. I stopped at the store to get a few items and have some keys made. While the gentleman was making the keys, I picked out a few new key rings and slid them on my finger as my hands were full. I went to the self-check-out lane to ring up my items. Since it was early, the store was empty. The staff person who was overseeing the check-out came over and scanned everything for me. I thanked her for her kindness and went on my way. As I was getting into my car, I noticed the 3 key rings on my fingers that had not been scanned, and I had not paid for them. My first thoughts were the faces of the Rotarians I had just left and the 4-Way Test I had just recited! In all

Rotary  **FOUR-WAY TEST**
FOUR QUESTIONS – 24 WORDS

THE UNIQUE STEP-BY-STEP PROCESS	PROCESS TO ACHIEVE DESIRED OUTCOMES THAT ARE ETHICAL, FAIR AND BENEFICIAL TO ALL
IS IT THE TRUTH? <ul style="list-style-type: none"> • Clarity • Transparency • Fact checking • Ethical behavior 	That we do our homework to collect information and to apply critical thinking to asking questions, to know the difference between facts, beliefs, assumptions, and opinions as well as know what we don't know.
IS IT FAIR TO ALL CONCERNED? <ul style="list-style-type: none"> • Inclusion • Empathy • Acceptance • Belonging • Accountability 	That we use empathy to see other points of view in the context of the problems to be solved and the goals to be reached.
WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS? <ul style="list-style-type: none"> • Help • Do good • Feel good • Have fun 	That the process is civil, and there is a feeling of respect and openness to ask the "dumb" questions, they can lead to creative and innovative answers. Also, people prefer to work with people they like, respect and trust.
WILL IT BE BENEFICIAL TO ALL CONCERNED? <ul style="list-style-type: none"> • Mutual economies • Trade-offs • Being creative and innovative • Better decision making 	That these are the correct transformative answers and decisions that can lead to mutually satisfying solutions, that are sustainable and scalable. This can be an iterative process as we learn more from doing and continuously improving with time.

honesty, I would like to believe that I would have headed back into the store just because it was the right thing to do. But it was not lost on me that my first thoughts were of my Sunrise Rotarians and the 4-Way Test! It was a good reminder to me the 4-way test is not just a nice motto that we recite at each meeting. It is a way of life that truly means something to Rotarians. I am so blessed to be a part of a group of people who want to do the right thing and make the world a better place! Sometimes it is the simple little things in everyday life that remind you how truly blessed you really are!
