Last Week's Program

Jake Reardon-McSoley Fishers Director of Recreation and Wellness

Jake gave us a peek at some new projects coming to Fishers.

Please note that there will be no club meeting this week (June 27) or next week (July 3).

Our speaker at our next meeting, July 11, Rich's first meeting as club president, will be Carl McIntry of Carrington Homes. Topic: Dream Home

URGENT NEED!!!!

June 28 is the Spark Fishers Parade!

We need more Rotarians to ride the bike!

Volunteer to ride the 10-person bike by contacting Susan Guindon at: 317-501-9266 (cell) or smguindon62@gmail.com

We also need LOTS OF WRAPPED CANDY (nothing that could melt) to pass out to the kids at the parade.

Bring your candy--Sam's and Costco are great sources--to the club's Passing of the Gavel event on Thursday or get in touch with Susan to deliver it to her.

Photo of the Week

Beth and Laura were happy to see Mary return after a long hiatus.

Happy Buck of the Week

Collin Smith was happy last Friday to have a potty-trained child in his home.

You have nearly 3 weeks to come up with what makes you happy!

Why We MUST All Give to The Rotary Foundation--Before June 30

Last Friday, the TRF Chair for our club, Bob Guindon, announced that he was impressed with the Foundation giving of our club this year--but the year ends on June 30.

You can still make a difference in the life of a child, a mom, or a village and maybe help win recognition for Fishers Rotary!

Three years from now, your donation (having earned some interest) will make someone's life better.

Another Urgent Need!!! July 26 SAWs Build

Scott has been given the address of our next build and is drawing up plans for the July 26 project.

Only 3 Rotarians have volunteered so far, and about 10 are needed.

Please email Josh (jdmorris@hotmail.com) and cc Scott (scott.tornquist@gmail.com) and one of them will email you with additional instructions once the SAWs registration portal opens up.

SAWs® is a nonprofit, volunteer organization founded in 2003. Originally started in Indianapolis, the organization serves clients across Indiana, as well as Arizona and Virginia. SAWs specializes in building wooden wheelchair ramps for low-income, permanently disabled individuals.

With the support of donors and volunteers, lives are changed one ramp at a time.
