Photo of the Week

On May 31, Fishers Rotarians Kish Swift, Diane & Ron Crawford, and Steve & Susan Leonard traveled to Greencastle to enjoy an evening with Rotarians from around Central Indiana, celebrating donations to Our Rotary Foundation to fund Polio Immunizations and other projects.

Did you know that Rotary was instrumental in funding polio immunizations for over 500,000 children in Gaza in the last year?

Anywhere large numbers of people are together without adequate sanitation, polio rears its ugly head.

You can help with Rotary's only corporate humanitarian project by donating to The Rotary Foundation online or through our club.

SAWs 2025!

By Scott Tornquist

Note: SAWs has changed the software used to register volunteers for projects. Kinks are still being worked out regarding proper utilization of the software. If you are available for the project please email Josh (jdmorris@hotmail.com) and cc Scott (scott.tornquist@gmail.com) and one of us will email you with additional instructions once the registration portal opens up.

2025 SAWs Project Schedule:

July 26
August 9
September 6
September 27

SAWs® is a nonprofit, volunteer organization founded in 2003. Originally started in Indianapolis, the organization serves clients across Indiana, as well as Arizona and Virginia. SAWs specializes in building wooden wheelchair ramps for low-income, permanently disabled individuals. With the support of donors and volunteers, lives are changed one ramp at a time.

In addition to working ramp builds, our club supports the SAWs organization through Rotary Foundation District grants.
