Dan Gilot is Our May 3rd Speaker

Indianapolis prepares to host 2024 U.S. Olympic Swimming Trials Discussion will center around the background of the event, why hosting large-scale sporting events is beneficial to our community and how people can get involved with the event.

Dan Gilot joined the Indiana Sports Corp team in September of 2023 as Senior Director of Marketing & Communications. In this role, Gilot is responsible for developing, overseeing, and executing all Indiana Sports Corp communication strategies. Gilot also serves as Indiana Sports Corp's primary spokesperson and media contact.

Prior to his time at Indiana Sports Corp, Gilot led a team at the Horizon League for five years as Assistant Commissioner of Messaging and Branding. In this role, he managed all aspects of the organization's branding, including strategic communications, media relations, and marketing efforts. Gilot oversaw substantial growth to the Horizon League website and social media channels.

Thank You Carmel Success Stories Program

Thank you ever so much for accepting our invitation to be the Rotary Club of Carmel's Rotary Success Stories presenters. Both reflected all that is good about being a Rotarian, a respected professional, a community leader, and a model spouse and parent.

Your presentations were spot-on and your responses to questions from the audience were well-received.

You set the bar high for next year's Success Stories speakers!

Did You Know, Rotary has a Wonderful Program for Young People! Check it Out!

Interact Clubs

Take action, build international understanding, and make new friends around the world.

Interact clubs bring together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self. Find out how serious leadership can be seriously fun.

What are the benefits?

Connect with leaders in your community and around the world to:

- Take action to make a difference in your school and community
- Discover new cultures and promote international understanding
- Become a leader in your school and community
- Have fun and make new friends from around the world

What are™s involved?

Interact clubs organize at least two projects every year, one that helps their school or community and one that promotes international understanding. Rotary club sponsors mentor and guide Interactors as they carry out projects and develop leadership skills.

Celebrate the global impact of Interact by getting involved in:

- World Interact Week
- Interact Video Awards
- Rotary Youth Day at the United Nations
- Global Youth Service Day

Rotary has great programs that involves the youth and promotes community service. Contact Arnold if you have questions. Great way to get INVOLVED.
