September 6th Speaker is Jeff Jellison

The presentation will be on *The Coroner's Role in the Community*, an overview of the Coroner's Office and how the community is served. He will touch briefly on the Fox Hollow case and his efforts to identify 10,000 unidentified human remains.

Deputy Coroner Jeff Jellison has announced his intention to run for Hamilton County Coroner in the upcoming 2022 Republican Primary Election. A lifelong resident of Hamilton County, Jellison graduated from Noblesville High School and attended Ball State University.

After attending Ball State University, Jellison worked as a dispatcher and reserve police officer for the Noblesville Police Department for two years, then served 10 years as a police officer for the City of Carmel. Most recently, Jellison has served six years as a deputy coroner in Hamilton County.

Jellison is a graduate of the Indiana Law Enforcement Academy and maintains a Medicolegal Death Investigator certification.

Jellison's law enforcement and coroner training includes certificates from Northwestern University, Indiana University School of Medicine Department of Toxicology, Federal Bureau of Investigations (FBI), Indianapolis Police Department, Indiana University Kokomo Division of Continuing Studies and Indiana State Coroners Association.

Rotary Causes

Solving real problems takes real commitment and vision.

Each year, Rotary members

invest hundreds of millions of dollars and countless volunteer hours in sustainable, community-based solutions to promote health, peace, and prosperity in communities across the globe. Rotary combines global reach, local resources, and highly skilled volunteers with a funding structure that distributes US\$200 million annually to provide clean water and sanitation, support education, prevent and treat disease, save mothers and children, grow local economies, promote peace, and protect the environment.

Heart 2 Heart
