Tim Flint, Friday, October 28 Speaker

Our speaker for the October 28 meeting of the Rotary Club of Carmel is fellow Rotarian Tim Flint, Principal and Strategist for Flint Analytics. What are analytics? How can analytics help your marketing program? What is Flint Analytics up to in the field of events ticketing? Members won't want to miss this presentation by the 2023 Chairman of Leadership Connection!

Letter from the President

WOW! If you did not have a chance to join us at Leadership Connection earlier this month, you missed meeting an incredible group of future leaders! Thanks to Rick Markoff and Tim Flint for countless hours of planning an impactful event for all! The Rotary Club of Carmel is lucky to have leaders like you who go above and beyond to demonstrate servant leadership.

The day was full of diverse students, memorable speakers, interactive group activities, reflective questions, relationship building, and overall great fun! Each student was challenged to think about their leadership values and got a lot of ideas throughout the day. Each participant was inspired that our future is indeed bright with these young leaders on the horizon.

This event would not have been successful without the many sponsors who enabled us to present such a high-quality program. A big shout out to all those working behind the scenes to ensure a flawless day. Thanks especially to Greg Pilling for his special magic in collecting all the attendees' information and seamlessly adjusting on the fly to ensure everyone was welcome and knew where to go for each session.

It takes a village, and the Rotary Club of Carmel brought the village to deliver a stellar impact for our future leaders. Looking forward to seeing many of you for Round 2 at our Community Service Event when the students reconvene to help clean up the Monon.

Did You Know We Bowl on Tuesdays?

We meet every Tuesday at Woodland Bowl (96th Street and Keystone Avenue) from 6pm-8pm or after we have completed 3 full games. There are 8 teams in the league from various clubs around town. We are currently in 5th place. The season runs from the middle of September until April 15, 2022.

Anyone is welcome to come visit and cheer us on as well as meet new members from other clubs. If you are interested in being a sub, let us know!
