Announcements:

- The club's calendar of events can be viewed on the DACdb website, in the Spoke (left side column) and in a Club Google Calendar that can be linked to your personal Google Calendar. Hart Summeier can assist you if you need help accessing it.
- A box has been set up on the badge table for collection of used or new plastic containers (see separate story).
- Terry Snow reminded everyone to look at the speaker list, as some names have changed recently!
- Hart Summeier advised the club that his Leadership Hancock County Team is taking sponsorships or donations for their service project, which will provide rental bicycles at bike stations at various parks and trails in Greenfield. Their team is working with the Parks Department. Sponsorships are \$2,000 and will provide advertising, but you can donate any amount. Hart indicated that they have collected \$13,000 of the \$19,000 goal to fund this project. To learn more contact Hart Summeier.
- Kim Hall announced that we collected almost \$2,500 for "Shop With a Deputy Program". We had 28 Rotarians and family members volunteer their time to support this fundraising event. Chantel Fowler and Sherry Haines were the top bell-ringing team, collecting over \$500. **This counted as a Makeup.**
- Adam Jurs and Sara Joyner reminded everyone that there is a District Match for Foundation contributions through December 27, 2022. Checks should be made out to "The Rotary Foundation".
- Sara Joyner advised the club that \$5,000 of our Foundation donations funded this month's lodging for the Riley Medical Team's trip this week to Aman Jordan.
- Jim Greig reminded the club that Yuletide Celebration will be at the Hilbert Circle Theatre on December 10th at 8pm. Jim suggested that if you plan to have dinner downtown prior to the show, make your reservations for an early dinner. There are multiple events downtown that night; parking will be in demand, and you must be seated no later than 8pm for the show or they won't let you into the theatre.
- Deb Low is seeking volunteers to fill a few vacant spots for our Tuesday Meals on Wheels community service project. Each Tuesday, we pick up meals around 10:30 am for Route 3, here in the center of Greenfield. It usually takes about 1 hour to deliver to anywhere between 7 to 10 residences. Let Deb know if you can fill a date or two through December 2023. **It counts as a Makeup.**
- David Elser is looking for a few volunteers to help prepare a meal at the Kenneth Butler Memorial Soup Kitchen, on Wednesday, December 21st. He would like to fill 2 shifts with 5 members, each. The first shift is from 2 to 4pm and the second shift is from 4 to 6pm. Contact Dave if you can fill one of the volunteer spots; **it counts as a Makeup.**

Program:**

This week Dean Felker hosted Jason Wells, our guest speaker. Jason is the Director of Business Operations for Hancock Health (HH) and serves as the coordinator for the Mayo Clinic Network Relationship with Hancock Health (MCNR). Jason is also a registered nurse with degrees in Health from University of Indianapolis and Indiana University.

Hancock Health became the 48th hospital to become a member of the world-wide MCNR. In the past MCNR did not accept HH into their network. After recent upgrades at HH, A 995-page report on HH's operations and an on-site visit by Mayo personnel, over several days, HH became a network facility on June 29, 2022.

Jason shared with the club all the benefits of being a network member, which comes with a cost to HH. HH staff, now, have access to Mayo Clinic's "Mayo Up to Date app", which provides a whole suite of tools and resources covering "how to's" to recent medical developments, which help staff their training, as well as helping them diagnose their patient's illnesses.

The network provides video education as well as information from the latest clinical trials. Their E-consult Program" allows HH staff submit medical records and test results on patients exhibiting hard to diagnose illness. Forty-three local patients have already been submitted for evaluation from Mayo experts.

Hancock Health has also taken advantage of the Inpatient Telephone Consult Program included in the network. Three local patients have benefited from an immediate consult from the Mayo experts.

An ancillary benefit to being a part of this network is that HH can also tap into the resources of the 47 other MCNR facilities and their staff. This includes assistance with health care consulting and administrative issues.

Next Week's Meeting:

Remember, we meet at Mozzi's Pizza at 5:30pm and will be presenting a check from our Bell Ringers Program to the Hancock County Sheriff's Department for the "Shop With the Deputy" Program.

DISTRICT 6560's
ROTARY FOUNDATION ANNUAL FUND

Matching Points Campaign!

November 1 to December 31, 2022

District 6560 will match your contribution of at least **\$100 to \$5,000** to the Annual Fund with points of equal value.
\$500 contribution = 500 points

\$500 contribution plus **500** matching points equals **Paul Harris Recognition**

Let's make this a great year in contributions to the Annual Fund (SHARE). If every member of our District gives \$20/month or approximately \$240/year, we will have given over \$400,000. Especially with the Rotary Direct option, we can reach that goal.

By check —

Give your check to your club's Foundation Chair (or Treasurer)

Online —

Forward your email receipt from the Foundation to Charles Shumate at cshumate@cbplus.org

Rotary Direct —

Email your name and member # as it appears in DACdb to Charles Shumate at cshumate@cbplus.org

Foundation Chairs (or Treasurers) —

Send checks to the Rotary Foundation with donor information on the Multiple Donor Form. Email or mail a copy of the form to Charles Shumate, 4595 Clifty Drive, Anderson, IN 46012. It must be received by **January 6, 2023**.

December 22, 2022 Thirty Second Auction for Polio Plus

By David Anders on Thursday, December 8, 2022

**Thirty Second Auction Elfs...
They know when you have been late with your auction item; so don't be late.
Be good for goodness sake!**

Barbara Anders, Chairperson for our Thirty-Second Auction shared with the club that this year's auction will be held at our regular meeting on December 22, 2022. Items should be new. In the past the following items have been popular:

- Liquor
- Baked goods
- Rotary promotional items (see Russell Hampton website for items)
- Tools
- Jewelry (we know a lady that can help you).
- Electronics
- Restaurant gift cards
- Greenfield chocolates
- Gift baskets (food, liquor, books, toys, Bath & Body Works, games)

Items should not be wrapped, so they can be viewed prior to bidding. All items should be turned in to either Barbara or Dave Anders **no later than December 15th**. This gives you one week to shop. In order for us to avoid chaos and keep within our 1 hour meeting time, please email Barbara or Dave(see addresses below) with a brief description of your item(s) so we can prepare the "bid sheets" and have them emailed to you prior to the meeting. We would appreciate avoiding a last minute scramble to log items. If you must bring the item the day of the event, come early so it can be displayed and make sure to email a description of the item(s) by December 15th to Barbara or Dave. Alcohol items will not be displayed inside the church; they will be distributed outside the church building, after the meeting.

We just learned that we will be able to display alcohol for the auction at the church. We have been asked to be discreet and cover (do not wrap) alcohol items until you turn them into Barbara or one of her helpers. Do not walk into the church with uncovered alcohol.

We will accept cash, check, or credit card payments. You will be given a bid paddle when you arrive and then you can sit back and relax and enjoy the festivities.

The 2022 John Long Vocational Service Award

By David Anders on Wednesday, November 9, 2022

THE JOHN LONG MEMORIAL VOCATIONAL SERVICE AWARD
COSTA STYLIANOU
11/10/2022

Rotary International's motto is SERVICE ABOVE SELF. Fostering our commitment to service is the foundation of every club. The five Avenues of Service for Rotary and its Club Members are:

Service to our Community...Service to our Club...Service to Youth...International Service...and Vocational Service...

In the Vocational Service area, our club has searched for members of our community, who are not Rotarians, to honor with the Vocational Service Award. Chairing the committee focused on this search for many years was a man himself dedicated to service...Dr. John A. Long. John was an Optometrist by profession and a Rotarian by choice. He was a member of this Club from 1955 until the time of his death in 2014. We honored John after his passing by renaming this Award in his memory. Today we will recognize our 2022 award recipient.

THE PURPOSE OF THIS AWARD---is to honor an individual for meritorious conduct or service in her or his professional and/or vocational activities. This service can be to individuals, to the community at large, and/or to other organizations.

ELIGIBILITY FOR THE AWARD---requires a connection to Hancock County through residence, business, and/or area of service. Rotarians and their immediate families are not eligible.

NOMINATIONS---come from Rotarians submitting a narrative description of the meritorious service of the individual.

JUDGING---of the nominees was done by committee members.

The Rotary Club of Greenfield would like to thank Betsy and Sherry Haines and Miller's Jewelry for providing the plaque for our recipient.

It is with great pleasure that this year's Rotary Club of Greenfield John Long Memorial Vocational Service Award recipient is COSTA STYLIANOU.

Since arriving in Greenfield, Costa Stylianou has had a tremendous impact on individuals and the community at large. Costa is the owner of Costa's Grill and the Lincoln Square restaurants in Greenfield and Fortville. He is very generous with his time, talents and treasure. The list of individuals and organizations Costa has helped is quite lengthy, but includes those down on their luck who just lost their job all the way up to the city of Greenfield and everything that falls in between.

Many of you will recall that when our Rotary Club lost our meeting space following the closure of Ponderosa, it was Costa who stepped up and helped us out by graciously opening up Costa's Grill so that we could meet there. What some of you may not realize is that this restaurant did not open till 4:00 which means he brought in a staff on Thursdays to take care of our needs, including preparing lunch for us! And today, Costa provided our deserts!

He recently received the Todd Kaminski Award from the Greenfield Central School Foundation for outstanding leadership, volunteerism, character, and service.

Costa was nominated by Grant Ford and Brad Herndon. Grant and Brad and special guest...Mayor Chuck Fewell each said a few words on Costa's behalf. In addition to the mayor, Costa's family members and guests were present for this award ceremony.

Costa was presented with a plaque, which read:

THE ROTARY CLUB OF GREENFIELD

JOHN LONG MEMORIAL

VOCATIONAL SERVICE AWARD

PRESENTED TO:

COSTA STYLIANOU

IN APPRECIATION OF YOUR WILLINGNESS TO HELP OTHERS AT ALL TIMES, INCLUDING THE ROTARY CLUB OF GREENFIELD, AND YOUR UNTIRING, SELFLESS AND HUMBLE DEDICATION TO THE COMMUNITY

December 3, 2022 Bell Ringing in Support of

By David Anders on Thursday, December 1, 2022

December 3, 2022 Bell Ringers

Kim Hall briefed the club on this Saturday's bell ringing, which supports the "Shop with a Deputy Christmas Celebration" for children whose parents are incarcerated. Twenty-nine Rotarians and family members donated their time to help collect nearly \$2,500 for the Shop with the Deputy Program. A check representing these funds will be presented to the Sheriff's Department at the December 15th club meeting.

The team of Chantel Fowler & Sherry Haines collected over \$500 and surpassed all the other teams almost three-fold. **Way to go ladies!** Thank you to all the volunteers; you put a smile on a lot of faces this Christmas. This year, the program helped 24 children from 10 different families, according to Penney Weiler, Sheriff's Event Coordinator. One little girl, who shopped with one of the deputies, said "...this was the best day of her life". Both the Police and Sheriff's Departments helped and assisted 69 children. Walmart played an important role in this special event in providing a unique shopping experience for these children. They setup a special photo shoot with Santa for all the children.

Thank You Rotarians for donating Blood

By David Anders on Thursday, January 13, 2022

There is a shortage of blood in our community and the Greenfield Rotary Club is helping by sponsoring a quarterly blood drive.

Members of the Rotary Club of Greenfield participated, today, in their quarterly blood drive organized by past president, Greg Warner. The bloodmobile will typically park outside the Greenfield Christian Church. Anyone who qualifies to give blood is welcome to participate in these quarterly blood drives; you do not have to be a Rotarian.

If you would like to volunteer to give blood, please contact Greg Warner at G.Warner@mail.com.
