Monday's Program

John Lecher was our speaker Monday. He is the Manager and Utility Administrator at Lake Santee. Construction of the lake began in 1964 and was filled in 1965. It is two miles long and encompasses 250 acres. Lake Santee currently has 583 homes, with about half being full-time residents and half part-time. Lecher described the many social and recreational activities at the lake. He also reviewed past, ongoing and upcoming projects necessary to keep the lake clean and up-to-date. The Clarksburg Volunteer Fire Department has a station on the lake property and there is 24-hour security. Lake Santee is a very popular place to live and relax. There are currently no houses for sale and Lecher has started a list of people interested in buying if one becomes available.

District Grant and Service above Self

Jenni Hanna reports the application for a grant to help with landscaping around the Rotary Centennial Sign has been completed and submitted to District 6580.

Also, Jenni and the Service above Self committee members have reviewed the applications for the awards to be given to three high school students. The winners will be announced soon and we hope to meet them at our June 14 meeting.

Newest Member

Joshua Marsh is our newest club member and was inducted by President Tami at Monday's meeting. Marsh is a Greensburg native and a graduate of Ball State University and the Robert H. McKinney School of Law at Indiana University. He has worked for the State of Indiana as the Attorney General's Drug Abuse Task Force Coordinator and is now the Mayor of Greensburg. Marsh's sponsor is Alex Sefton. Welcome Joshua!
