### Apple Festival Balloon Drop

By Michael R. Rota on Wednesday, September 7, 2022

On September 17th our club will be sponsoring the annual Apple Festival Balloon Drop. In order to prepare for the drop we will be using our regular morning meeting on September 15 to stuff balloons and prepare them to be filled with air on September 16. The air filling will take place at the Elyria Methodist Church starting at 5:30 - 6:00. If members show up on the 15th and 16th it should not take very long to complete the work on both these days. Then at 10:30 we will gather behind city hall for an 11:00 AM drop.

### Elyria Waterfalls Camera

By Michael R. Rota on Tuesday, August 16, 2022

Our camera for the Elyria East Falls Project is up and running. If you would like to see the East Falls "live" use the link below and enjoy your coffee while enjoying the view.

### NEXT UP -- CLAMBAKE!!!

By Kurt Anderson on Tuesday, August 16, 2022

The 2022 Clambake is on the calendar and plans are underway.

It will be held on October 8, 2022, starting at 6:00 PM at St. Mary's Church, 320 Middle Avenue, Elyria, Ohio.

Tickets are \$40/person (honestly, a real bargain at today's food prices) and can be purchased online at: <https://www.eventbrite.com/e/rotary-clambake-2022-tickets-400695169037>

Please remember that all club members are expected to sell tickets, and also to provide either items or funding for items to be raffled off. **We will be collecting funds for raffle baskets (\$50 cash minimum) or creating a list of items members are donating for baskets and the raffle on September 15th.** Joan Villareal will once again be assisting with the raffle items and she will be at the September 15th meeting.

YOUR SUPPORT IS CRUCIAL TO OUR SUCCESS!!!

### Speaker Sign Up Calendar

By Michael R. Rota on Tuesday, February 22, 2022

The link below is for a Google Docs calendar. We are asking that members select the meeting date that they wish to bring a guest speaker. When you click the link you can sign up for that date and put in a couple of words about the topic. Moving forward we hope to be able to use this process to bring in engaging speakers that will inform and encourage member attendance at our regular meetings. The link:
