Clam Bake Results

By Michael R. Routa on Wednesday, November 2, 2022

As of last week the return on the Clam Bake is \$3800 with some outstanding collectibles and payments due. The payments due are for the raffle baskets - great job by Joan putting together the raffle items. The collectibles are from members who still owe dues for the first half of the Rotary year which include payments for Clam Bake tickets. Joe thinks that once everything is in we should clear around \$4500. All things considered (our late organizing and restarting the Clam Bake) we did pretty good. Thanks to Joan, to Joe, to members who paid on time and contributed money or prizes, to members who pitched in to help prior to and during the event and to President Donna for all the work she did organizing.

You better watch out !!!

By Michael R. Routa on Wednesday, November 2, 2022

It is getting to be that time of the year. The weather is getting colder and Santa will be coming to town - December 3rd. Save the date for help with Santa's appearance at the Festival of Lights the evening of December 3rd. We will also be preparing goodie bags for families on November 17 during our regular meeting that morning.

Elyria Waterfalls Camera

Speaker Sign Up Calendar

By Michael R. Routa on Tuesday, February 22, 2022

The link below is for a Google Docs calendar. We are asking that members select the meeting date that they wish to bring a guest speaker. When you click the link you can sign up for that date and put in a couple of words about the topic. Moving forward we hope to be able to use this process to bring in engaging speakers that will inform and encourage member attendance at our regular meetings. The link:
