Santa Packages to be put together this week

By Michael R. Rota on Tuesday, November 15, 2022

This Thursday the club will be putting together "goodie bag" packages for Santa's big day (December 3rd). Each Red Bag package will have a coloring book and crayons. We will also have candy canes to add to the bags - making a nice little swag bag for children as they pass by Santa in the square. Santa will arrive to greet children and turn on the lights at Ely Square during the festival of lights. Please plan to attend as the club works to get this task completed. (Many hands make light work...). Remember Santa will be making a list and checking.

Elyria Waterfalls Camera

By Michael R. Rota on Tuesday, August 16, 2022

Our camera for the Elyria East Falls Project is up and running. If you would like to see the East Falls "live" use the link below and enjoy your coffee while enjoying the view.

Speaker Sign Up Calendar

By Michael R. Rota on Tuesday, February 22, 2022

The link below is for a Google Docs calendar. We are asking that members select the meeting date that they wish to bring a guest speaker. When you click the link you can sign up for that date and put in a couple of words about the topic. Moving forward we hope to be able to use this process to bring in engaging speakers that will inform and encourage member attendance at our regular meetings. The link:
