District Governor Visit Last Week

By Michael R. Routa on Wednesday, October 19, 2022

Last Thursday, Diane Savage District 6600's Governor, was at our meeting. Governor Savage is a former school superintendent who has held numerous leadership positions within her club and the district. She spoke about four key areas of emphasis. First increasing impact in what we as Rotarians do. Where can we increase visibility and impact within our communities and around the world. Second is expand our reach. We do good work in our local communities but by connecting together with other clubs through foundation grants we can do good work in many other places. Third, increase participation and engagement with each other, with other clubs and with Rotary at the district level and beyond. Finally was to increase our ability to adapt. How can our club adapt to increase membership, impact, our reach and participation? That challenge is what she leaves our club with for this Rotary year.

Rotary on the Road - Blessing House

By Michael R. Routa on Wednesday, October 19, 2022

This week Rotary will be on the Road at Lorain County's Blessing House. Blessing House is located at 6115 Olivet Avenue in Elyria (off 254 by St. Vincent DePaul Church). We will meet there at 7:30 for coffee and breakfast and then have an opportunity to learn updates about the program and new building.

Elyria Waterfalls Camera

Speaker Sign Up Calendar

By Michael R. Routa on Tuesday, February 22, 2022

The link below is for a Google Docs calendar. We are asking that members select the meeting date that they wish to bring a guest speaker. When you click the link you can sign up for that date and put in a couple of words about the topic. Moving forward we hope to be able to use this process to bring in engaging speakers that will inform and encourage member attendance at our regular meetings. The link:
