For the first time in a long time, our speaker calendar is FULL for the month!

August 1 -- Monet Roberts, Elyria Community Partnership
August 8 -- Kate Arhar ("Cleveland Kate"), preview of Cleveland Browns
August 15-- Judith Padua, Family-Based Care Coordinator, Lorain County Children Services

Also, to add some spice to the meetings in August, all members who arrive **before the bell** (promptly at 8:00 AM) will be entered for a drawing for a \$10 gift card to a local business.

You add value to our meetings, so please be sure to attend!

See you Thursday!

Meeting August 1 -- Speaker and Activities

This Thursday's speaker will be Monet Roberts from Elyria Community Partnership. She will update us on various plans for promoting Elyria as a vibrant and impactful community of caring people. Rotary has a significant place in that equation, so please come to see how you and the club can help!

Reminder that we have rescheduled the Pizza Challenge to Sunday, August 25.

Please plan on being available to assist that day.

And we need ALL members to be actively promoting this event. Please share our FB page and flyer on your social media and with your friends, family and work colleagues. We need (and expect) each member to sell at least 4 tickets for this event to be successful.

WANTED: Volunteer Opportunities

By Kurt Anderson on Wednesday, August 16, 2023

Wanted: Volunteer Opportunities for Sept. and October

We would like to schedule half-day volunteer projects in September and October.

Please contact the Service Committee co-chairs (Kurt Anderson or John Bryan) if you know of or have any contacts or ideas. It can be anything from clean-up to building to education to assembling...it just needs to be worthwhile and fun!

Also, part of the plan would be to have a "happy hour" following the activity, so all the more reason to plan something!!

Speaker Sign Up Calendar

By Michael R. Routa on Tuesday, February 22, 2022

The link below is for a Google Docs calendar. We are asking that members select the meeting date that they wish to bring a guest speaker. When you click the link you can sign up for that date and put in a couple of words about the topic. Moving forward we hope to be able to use this process to bring in engaging speakers that will inform and encourage member attendance at our regular meetings. The link:

Dear District 6600 Rotarians,

I am excited to announce a new opportunity to support our members in expanding our international impact! Rotary District 6600 has allocated \$5,000 to make international travel more affordable for those interested in advancing our Global Grants, Project Fairs, and MESA engagements.

Grant Travel Subsidy Purpose: This subsidy aims to assist District 6600 Rotarians with:

1. Traveling to potential Global Grant project sites to conduct, assist with, and/or evaluate community assessments.
2. Attending Rotary project fairs to explore potential projects.
3. Expanding the footprint of MESA (Medical Equipment and Supplies Abroad).

Application Process:

- The committee will award this subsidy on a rolling basis, with a total of \$5,000 available.
- The total subsidy will be awarded to 10 Rotarians, each receiving \$500.
- Applications for the Rotary Year 2024-25 are due by April 1, 2025.
- Travel subsidy payments will be made after the travel upon submission of receipts and required documentation by May 31, 2025.

For more details on the subsidy guidelines and application requirements, please refer to the [Travel Subsidy Guidelines](#) and [Travel Subsidy Application Form and Attachments](#).
