### President's Letter — Welcome to August, 2019

Dear Rotarians,

We have all made it through my first month as President and no one has complained yet—at least not that I know of! I hope those of you that were there for Ron's "Fast 5" enjoyed a little insight into his life and look forward to hearing others answers in the months to come. I'm sure we will all learn a thing or two we didn't know about a fellow member.

August is membership month for Rotary. We talk a lot about how to attain and engage members because without members we wouldn't be able to do all the great things we do! I think that moving downtown has helped us, but we have only begun to scratch the surface. Soon our revised Rotary brochure will be printed and available for all members. I hope you will take them and hand them out to potential members. I plan on visiting several businesses and city offices in the downtown area, as well as other parts of Lorain.

If somebody asks you why they should consider Rotary think about these points:

We see differently: Our multidisciplinary perspective helps us see challenges in unique ways.

We think differently: We apply leadership and expertise to social issues — and find unique solutions.

We act responsibly: Our passion and perseverance create lasting change.

We make a difference at home and around the world: Our members can be found in your community and across the globe.

In closing, just a reminder that the theme this year is "Rotary Connects the World". The only way you are going to see that is if you tell people that you are a Rotarian and tell them what you do as well as our club. Let them see how Rotary connects the world!

Yours in Rotary,

Michelle Pullin
