Lorain Rotary Club

President's Letter — Welcome to September, 2019

Dear Fellow Rotarians,

By the time you read this most of the kiddos will be back in school and life will be more routine – well at least mine anyways. And it will be my most favorite season of all – FOOTBALL season!

I am writing this letter just after picking up the brochures for our club from the printer. I am so excited about how wonderful they look. I mentioned them in my letter last month, so I am pleased they are ready to go now. I hope you will take them and hand them out to potential members. I plan on visiting several businesses and city offices in the downtown area, as well as other parts of Lorain and I hope you would do the same. Or even just keep some with you so when you are out somewhere maybe you could leave a couple or strike up a little conversation with someone. Sometimes when people ask me what Rotary is I find myself overwhelmed with all the things I can say. And undoubtedly when the conversation is over, I find that I left out some important pieces. I hope the brochure will help to fill those gaps and leave people with something they can refer back to later.

I also picked up the trivia brochures today and I am equally excited about those. As you most likely know, our trivia event is our ONLY fundraiser. Its success is vital for our livelihood, without it we can't help all the organization and people that we do. I'm sure you will get sick of hearing about trivia in the next 2 months but just keep in mind that your contributions are so important. That means purchasing tickets, an item for the silent auction, and signing up to work a shift at the event are the only ways we can continue to increase our impact on our city and the world.

Yours in Rotary,

Michelle Pullin
