

Steel Wheel

Lorain Rotary Club

Greetings fellow Rotarians,

Welcome to December. What an end to November. We had our initial pre-winter winter storm. If you watch the news, I'm sure it seemed the world was about to end. If you watch people drive it's like they have never seen let alone driven in snow before. Not to worry though, in a few days it will all be gone.

Thanks are in order for those Rotarians who were able to participate in our 5th Thursday event at 2nd Harvest Food Bank. Also, even though this is a bit premature, those that 'rang the bell' for the Salvation Army on December 2nd. I look forward to more of these Rotary in Action type projects. One other Club note for December. We will be holding our Holiday program on Thursday, December 14th at Lorain High's Lighthouse Grill. I hope you've made plans to attend.

**CREATE HOPE
in the WORLD**

The December issue of the Rotarian magazine, The Food Issue, arrived recently. On the menu is a fascinating selection of articles covering various food-related topics. Including one of my favorites, Recycling Natures Way. There is an article complete with recipes from around the world. They look delicious. Maybe we should try some at one of our meetings. There is also a section detailing what other Clubs are eating. Good stuff. I encourage you to spend a few free moments at least paging through the magazine.

This can be an extremely busy and demanding time of the year for everyone. End of the year business, work related parties and family gatherings can bring out the stress in all of us. I'd like to encourage you to slow down, take a deep breath and enjoy the peace and joy that can and should come through this season we're entering. On behalf of Tammy and I, best wishes to you and your family for an enjoyable Holiday season.

Yours in Rotary,

Dan Beeman

Lorain Rotary President '23-'24
