

Steel Wheel

Lorain Rotary Club

Greetings fellow Rotarians,

November is here and that means that our annual trivia night has arrived. We begin the preparation for the event around April and every year I think, November is a long way off. Well, as with all things time flies. Many thanks to all Club members who worked diligently to make this such an outstanding event. I recently heard from a local Rotarian who shared that this is their favorite Rotary event. This year's event is extra special as it marks the 50th anniversary for our Trivia night.

**CREATE HOPE
in the WORLD**

I know we all have extremely full schedules which don't allow a lot of time for casual reading. However, if you do have a few spare moments, I'd encourage you to check out the November edition of Rotary magazine. I think you'll gain a sense of what it means to be a Rotarian locally and beyond. Among the many fine articles, you'll find a message from RI President Gordon McInally on "*The road to peace*". Very timely with what is happening in our world. There's also a profile on the President of the Rotary Club of Chicago, Aleta Williams as she moved from skeptic to seeing the direct impact a Club can have in the community. November is Rotary Foundation month and the Foundation trustee chair, Barry Rassin, has a column on the magnitude of our impact as one of the world's best humanitarian organizations.

Beyond Trivia November is a busy month. The General election is Tuesday, Nov. 7th, Thanksgiving is Thursday, the 23rd and we are working on planning a service event for the 5th Thursday which is the 30th. I'll have more details on this including the opportunity to sign up in the weeks ahead.

November reminds us to be thankful. As such, I'd like to say thanks for being an integral part of the impact that Rotary has locally and globally.

Yours in Rotary,
Dan Beeman
