Chad Stover

Overview of the 2020 Decennial Census

Chad will be speaking on how the Rotary Club members can assist in ensuring everyone is counted once, only once, and in the right place and ways to outreach in the community to reach those hard to count populations.

Chad Stover currently serves as a Partnership Specialist in the United States Census Bureau, Philadelphia Region, in the State of Ohio. He joined the Bureau in September 2018, to continue his service to the United States and his community to ensure everyone in our communities are counted in the 2020 Census.

He recently retired from the United States Army in February 2018, after 21 years of service. He retired having achieved the rank of Lieutenant Colonel, and now resides in Delaware, Ohio. His last assignment in the Army was the United States European Command (EUCOM) Senior Military Advisor to the United States Agency for International Development (USAID) in Washington, D.C. where the areas of emphasis included combating violent extremism and defeating ISIS in Eastern Europe, and stabilizing countries that were at risk of Russian influence. Previously, he served in Qatar as the Deputy Brigade Commander of over 2,900 personnel and installations providing over the horizon support to Iraq, Afghanistan, and other areas. Chad served in overseas capacities in Afghanistan, Iraq, Kuwait, Qatar, and South Korea. He was an attack helicopter pilot with his primary aircraft being the AH-64D Longbow Apache. He served as an attack platoon leader in Korea, commanded an attack helicopter company in Iraq during Operation Iraqi Freedom III, and has held every primary staff position in attack helicopter units to plan and execute operations in both peacetime and in war.

He holds a Bachelor of Science in Chemical Engineering with a minor in Nuclear Engineering from the United States Military Academy at West Point and graduated from Pickerington High School in Pickerington, Ohio. Chad is married to Jennifer and they have two children, Maryn and Jack.
