Club Assembly Invites All Club Members- April 22 5:30 pm

Tuesday, April 13, 2021

An All-Member Club Assembly is being planned for Thursday, April 22 at 5:30 pm at the George Abram Memorial Pavillion at **273 S.Main**, near by McDonalds. We are looking to have all member feedback as we look ahead to 2021-21 year under President-Elect Melanie Satterfield It offers plenty of space to spread out as well as give overhead protection. Bring snacks and beverage or your favorite McDonald sandwich/salad, if you like.

Rotary Cheers On United Way BEE with 2 Teams

Rotary has entered two teams in the annual United Way BEE to support Lorain County Youth. Rotary has always done well landing in the finals but this year it's a bit more complex to advance with more teams and more categories.

One team (Peggi Ignani, Pat Serio, and Bruce Ente) is entered in the traditional Spelling Bee and the 2nd team (Mary Aufdenkampe, Shirley Hull, and Melanie Satterfield) are competing in the category of STEM. The preliminary rounds are now complete and fund raised will help each team out should they run into difficulty with questions or come up with a tie with other teams. We hope to learn both teams will advance to the next round. You can help them (and the kids of Lorain County) by contributing to the crowd funding at the links below.

Blessing House Open House WOWS District 6600 Rotarians

By Barbara W. Thomas on Sunday, April 11, 2021

In 2020, before the Pandemic was fully underway District 6600 Rotary Clubs pledged dollars to support building a new facility for the 15 year old non-profit Blessing House in Elyria serving children up to 12 years of age. On Saturday, April 10, representatives from District 6600 had a peek tour before the official opening at the end of April. The home's outstanding design of almost 17,000 sq. feet is located on almost 3 acres of land and will eventually serve up to 28 children. It is located right behind St. Vincent de Paul Parish on land bought from the Diocese of Cleveland, The unique design is extremely spacious with a design driven by the experienced staff involved with the architect. Our Rotary Club can be very proud of supporting this excellent project that will prove to be a gem for Lorain County. There is much to be done before Blessing House will welcome the first children. **This Saturday, April 17, volunteers will be welcome to continue to move donated contents into position throughout the home. It will offer a great opportunity to see this outstanding new home.**

First Highway Clean-Up - Saturday, April 24 8 am

By Timothy A. Carver on Monday, April 5, 2021

After a full year on "pause" due to the Coronavirus, Rotarians can once again contribute to Rt.511 Highway Cleanup. Tim Carver announced at a recent Friday meeting, that he welcomes help to get our entry to Oberlin once again in tip-top shape for the town of Oberlin. Ideally, it takes about 8 people, working in pairs for just under an hour to do a good clean up. Often, each person is able to collect 2 bags of rubbish per person. In past years, we've had help from our Interact Students from the high school and enjoyed getting to know them.

Put a hold on your calendar for 4/24 and assure Tim you can help out. Gloves, safety vest and bags are provided. We meet at 8 am at the Park, about 1.2 mile east of IGA where there is plenty of parking. Depending on weather, it never hurts to wear a waterproof boot.

All- Club Service Day- Friday April 30 (No Meeting 5th Friday)

Our 5th Friday in April is planned to be a service day doing spring clean-up for the Oberlin Heritage Center. With volunteers still being limited due to the pandemic, Rotary has lent a helping hand in 2020. Meet at 8 am and bring your favorite tools, gloves and a chance to visit in person at a distance with Rotarian friends.

Rotary Needs You to Help with Vaccinations

By Barbara W. Thomas on Tuesday, March 23, 2021

Plans are underway in District 6600 and beyond to mobilize Rotarians, "People of Action" to help with the "Max Clinics" for COVID Vaccines being established in 18 key Ohio locations including Allen (Lima) , Richland (Mansfield) and Lucas (Maumee). These are clinics that will be running likely through May and operate weekdays and weekends. Health officials say they could not do these clinics without Rotarians.

District Governor Keith Hodkinson met with current Rotary Club Presidents and President-Elects by Zoom this past Monday to bring them on board to encourage Rotarians to get registered as volunteers. They asked us to consider the three above counties where there will be great need but you can check off other counties as well. This is a great opportunity for Rotarians to help with a vitally important effort for public health. Volunteer jobs will be in one of two categories: Medical and Non-Medical depending on your qualifications. You may be passing out water, helping people fill out forms, directing traffic, or whatever is needed. Medically qualified individuals will be working on the frontline administering the vaccine or other medically necessary tasks.

We are being asked to register NOW knowing the details of opportunity times will come later. **To register in the Ohio Responds Volunteer Registry go to:**

<https://www.ohioresponds.odh.ohio.gov/>

Please Let Barbara Thomas know you have registered by a quick text, email or call.

As more information becomes available, we will alert you by email and our weekly bulletin when we get our "Call for Action".

Use Venmo for payments

By Gerard T. Findlan on Monday, February 8, 2021

We also accept payment through Venmo. Once you download the Venmo application, you can search for  Oberlin Rotary Club  to make your payment for dues, fines/happy dollars or the 50-50 raffle.

The advantage to using Venmo is that there is no charge to you or the club when you use this app to make payments.
