## Rotary Learns About Rox

By Lee Martin on Monday, February 13, 2023

President Anne Lange DeVine opened the February 7<sup>th</sup> meeting at Camden Falls. Rev. Phil Moerdyk offered an opening prayer. Fundraising Cochair Jim Fruth beseeched members to contact their assigned businesses and sell tickets to our Reverse Raffle/Auction. Assistant Governor Beth Schweitzer encouraged us to check out the many different events going on within our District by going to the District's website.

### Guests/Attendance:

Guests today included Susanne Lange and Erin DeVine with Anne Lange DeVine. Student guests were, from Calvert: Collin McCarty, and from Sentinel: Levi Morgan. Celebrating birthdays this week are Rahat Ahmed, Eric Shook and Phil Moerdyk.

### Sarge's Report:

Assistant Sarge Beth challenged tables with Trivia questions today. Offering Happy Dollars came from: Anne for her Mom and daughter joining her for lunch, Jim F. for his name in the paper (he is running for Municipal Judge) and Lindsay for her son who went to his senior prom and will be attending Bowling Green University. Clark had 60 HDs to commemorate his birthday and also wanted to advertise the upcoming Kiwanis Cooking Show. Amber had a couple for her son getting to go on to State with Business Professional Association for Sentinel. Beth had one to announce Roy Hall, Jr., OSU football team's chaplain, as the speaker at an upcoming Transformational Life Center event.

### Program:

Our program today featured Tricia Flint and Jill Miller who are facilitators from ROX (Ruling our Experiences), a program for empowering girls. It is aimed at girls in grades 5—12 and takes 20 weeks to complete. ROX is not just a program but a movement. It was founded by Lisa Hinkleman, Ph.D., a school counselor in Columbus, OH ten years ago.

The mission of ROX is to create generations of confident girls who control their own relationships, experiences, decisions and futures. ROX studies the challenges of girlhood, capturing then opinions, behaviors and aspirations of nearly 11,000 girls across the country. It trains school counselors, social workers, educators and psychologists to deliver evidence-based programming to girls in grades 5—12. ROX supports the adult influencers in girls' lives, providing training and professional development, as well as practical tools. It has a three-day course to train facilitators. In Tiffin, they have six trained facilitators, have multiple school locations and have put about 160 girls through the program. Our local program is grant-funded and costs about \$100 per girl.
