Club of Tiffin

Rotary Starter for Jan. 31, 2023

By Lee Martin on Monday, February 6, 2023

President Anne Lange DeVine opened the January 31st meeting at Camden Falls. Rev. Phil Moerdyk offered the invocation. Anne's first order of business was to welcome new member Zack Fowler.

Guests/Attendance:

Prospective member Brian Ferguson was with Dave Spridgeon and Kisha Carver-Mathias was with Anne Lange DeVine. Also, past Rotary Exchange Student Brittany Stiltner was on Zoom with us. Columbian student Collin McCarty was with us. Sentinel students Travis and Trevor Wise were also present and directed their \$25 donation to FACT. Attendance was 24. The Basket Fund raised \$22 and the Weekly Drawing was won by Tom Debbink and Mary Habig won the Free Lunch. Celebrating birthdays this week are Josh Stanek, Michael Work and Clark Hutson.

Committee Reports:

Molly Lofton reported that she needs volunteer judges for the Four Way Speech Contest and readers for the Essay Contest. Foundation chair Phil Moerdyk announced that the club would be soon voting on a three-year, \$10,000 proposal for our Centennial Project and about \$1,500 for the Annual Youth Assets Luncheon.

Program:

Fundraising Co-chair Trisha Reinhard was our program today. She first reminded members that everyone has been assigned several businesses to contact for our Reverse Raffle and Auction. If you were assigned businesses from an earlier list, please disregard. You need to see her most recent email for your new assignment. The club still needs volunteers for that night. The committee has decided not to have an online auction. Our goal is to sell 250 tickets and we have only sold 50. We have a lot of work to do. Each member is expected to sell at least four tickets. If you can't sell your tickets, please contact Trisha or Dave. This is the club's biggest fundraiser and we need everyone to pitch in to help if we are to be successful.

Club Meeting

Tiffin meets at Camden Falls
Reception & Conference Center
