Amber thanked everyone who came out and supported the MESA bike riders last Friday evening and Saturday morning. She also reminded the Club of the service opportunity next Thursday, June 27, at the First Lutheran Church for the monthly food distribution. Another opportunity will occur on July 25.

Program:

Our program today consisted of Amber Wertman and Erica Hart. They presented the results of the survey that half of us took last week. Among the results were: Of the 31 responses, there was an average time in Rotary of 14 years. Respondents rated their involvement with Rotary at 3.42 out of 5 and their pride in Tiffin Rotary was 4.48 out of 5. The biggest barrier facing Tiffin Rotary was membership engagement. Goals for the club were adding more service opportunities, educating the public about what we do and completing our Centennial Project. For more information, see the attached complete survey. We then formed three committees which we agreed were relevant. They were: Education and Re-engagement, Recruitment/Outreach and Marketing, and Service. A few of the things the new committees determined to do included, creating a "elevator" sheet about what we do and create an "elevator" speech about Rotary.
