Let's get out to our local parks and walk a couple miles to kick off these winter weekends! Join fellow Rotarians, friends and family for a brisk winter walk in a local Westerville park. Weather permitting (basically, only ice or temperatures below 25 degrees will cancel the walk). Walks begin at 10:30am and will last for approximately 45 minutes. Use Sign-up Genius to register to participate during the final planned walk: February 27 - Hanby Park

Westerville Snow Patrol

By Bryan Wagner

This year's class of Leadership Westerville has created a new volunteer program that connects volunteers with homes of senior citizens and homebound neighbors who live within the Westerville City Schools foot print. It is entirely run by the class and they need volunteers as they begin to get requests of homes to serve. You can learn more about the program and everything that entails signing up to volunteer by visiting www.westervillesnowpatrol.com.

Things to Know about Signing Up to Volunteer:

- ◆ You will be assigned to a neighbor in need who lives no more than a 15-minute walk from your address.
- ◆ We will contact you via email with confirmation details when you have been assigned a neighbor.
- ◆ You may not be assigned to help a neighbor immediately. Neighbors request help throughout the winter season. You may be assigned immediately, a few weeks after you sign up, or later during the winter.
- ◆ Your assignment depends on if there is a neighbor who needs help near you. If none of your neighbors sign up, we may not be able to assign you. Either way, we will keep in touch regularly!
- ◆ We ask that you help your neighbor as soon as you are able and within 24-hours of the end of a snow event.
- ◆ Sometimes more than one neighbor who needs help live in the same block. If you are willing to help shovel and salt for more than one neighbor, please let us know on your registration form.
- ◆ If your neighbor wishes you to salt their walkways, sidewalk, and or driveway they are expected to have salt available for their Snow Patroller.
- ◆ Please socially distance and wear a mask if interacting with your Neighbor.
- ◆ Prior to being assigned a home you will need to complete the waiver form found below.

Making a Difference

By Donna H. Rudderow

Local Matters is our Making a Difference charity for January/February. Local Matters is working to improve the health of our communities by increasing access to healthy foods, and providing education to at-risk families about how to prepare those

foods in a way that is healthy and affordable. The items on our Amazon wishlist will be provided to our participants in our virtual education programs -- including groups of patients/families from Nationwide Children's Hospital, Columbus Urban League, and I am My Brother's Keeper -- to help them prepare healthy meals at home. We have a long history providing food education in our community and we know that one of the biggest barriers to low-income families cooking at home is not having the basic kitchen equipment to do it efficiently and safely.

Thanks to all who have purchased items on the Amazon wishlist. It's not too late if you'd like to participate. The link is
