It's a New Year. Dream Big!

Where does the time go? It's hard to believe that we are now beginning a new Rotary year. Just like many of you, I am eager to put this past year behind me and move on to a new and fresh beginning. However, I would be remiss if I did not acknowledge that even though this past Rotary year was difficult and uncomfortable, we as a district, survived. We not only survived, we thrived under the guidance and leadership of Past District Governor Steve Heiser and his class of Presidents. Back in the day, I was a girl scout, and when we would go camping or do activities outside, we were taught that we should always leave a place better than when we found it. PDG Steve Heiser and our 2020/21 Presidents have certainly done that. Our District is stronger and more resilient than ever. We have adapted and changed in ways we could have never imagined.

But our work is not yet done! Our Rotary international President Shekhar Mehta has chosen **◆Serve to Change Lives◆** as this year's theme. It couldn't be more perfect, since service is the corner stone of what Rotary is all about. He is also asking us to **Dream Big**. He wants us all to dream big so that we can do more to grow more. In fact, he is saying that this will be our guiding mantra. **◆Do more◆** as in bigger and impactful service projects and **◆grow more◆** as in increasing membership and increasing engagement.

His big dream is to grow Rotary from 1.2 million worldwide to 1.3 million. This is a big dream indeed. But with the initiative he is calling **◆Each One Bring One◆** I believe we can accomplish this big dream! And just imagine the impact 100,000 more Rotarians would have on the world. The changes we could make when we have more passionate Rotarians doing the good things we do, every day. As PDG Craig Maxey always says, **◆the world needs more Rotarians◆!**

So, this year, I will be asking all of you to jump on the Dream Big Rotary Bus with me. I encourage you to share your Rotary story with your friends and colleagues so that we can accomplish the Big Dream of increasing our membership. Share with them why you are so passionate about being a Rotarian. And invite them to take this journey with you. Invite them to a service project or to a meeting. Let them see your passion and desire to make our world a better place. And let them see how they too can be a part of this wonderful organization called Rotary.

In addition to membership, we will also be focusing on increasing contributions to The Rotary Foundation. As we all know, The Rotary Foundation is the fuel that drives our bus. It is the mechanism that allows us to do the many projects both locally and globally. This year, I am proud to report that we will be continuing the 125 Club membership drive. Becoming a 125 Club member is an easy and economical way for all Rotarians to contribute to The Rotary Foundation. If you are not familiar, the 125 Club recognizes and honors those Rotarians who have given at least \$100 to the Annual Fund and \$25 to Polio Plus. Our goal this year is to have 1500 District 6690 Rotarians become members of the 125 Club. In addition, I am asking each of the Club Presidents to ask their club members to make the contribution during my club visits so that I can personally recognize them and thank them for their commitment to making our world a better place. And, if giving to The Foundation and the idea of eradicating polio from the face of the earth is not incentive enough, wait until you see this year's pin. I will give you a hint- it does have Woo Hoo on it! I am sure you will want one of these most unique and highly sought-after pins!! Be the first one in your club so that you can encourage your fellow Rotarians to become 125 Club members also!

I am extremely grateful and humbled to be taking this journey with all of you! It's going to be an amazing and exciting year as we **Serve to Change Lives!**

Now in its Sixth Year, Please “join” the

125 CLUB
