MOMENT OF INSPIRATION

Chris Steele has our invocation/moment of inspiration for us this morning.

ANNOUNCEMENTS

Members were asked to sign up to volunteer during the May 6 event. We also need wine bottles and gift cards. Please see emails re: the event.

Brent shared the following volunteer opportunities:

Need volunteers to help with the Pop-Up project at the Abbott Home on Thursday April 27. We will be painting their gazebo and then grilling and sharing lunch with the residents after our project is complete.

We need readers for Duncan Falls Elementary on April 25 1pm.

Veteran's Day Parade update: We are excited to be working with the Noon Rotary Club in creating the Rotary Veteran's Day Parade. We will need lots of volunteers for that day 11/11/23. Brent also encouraged all the band directors to get their bands involved in the parade this year and he passed out flyers about the parade.

We are happy to announce we were able to get the Noon Club to support our second-place 4-Way Test student so both students will be representing our Zanesville at District Conference next week.

The Board approved scholarships for 10 Rotarian's registration for the district conference that is quickly approaching on April 28 and 29. You can register online at rotary6690.org and the Club will reimburse.

Andy and Elmer readings will occur on the following dates: Duncan Fall Elementary – Tuesday the 25 at 1pm; Maysville – Thursday May 4 at 10-10:30 - 3-4 readers

Saturday is the dedication of our Peace Pole and Earth Day. We would like to dedicate our peace pole Westview Park. Noon Club will be doing some planting with the City of Zanesville also in observance

of Earth Day. We can come back together at Westview for a quick gathering. We will gather at the Park around noon and the dedication will be at 12:30 – light snacks afterwards. Plans might need to change due to the weather.

With April 22 being EARTH DAY, the Noon Club will be celebrating with a service project beginning at 9 AM at Confluence Park (at the West Main Street side of the Y Bridge). The new park is the starting point. There is plenty for everyone to do - planting 10 trees, removal of items from a couple of yards, trash pick up, weed eating, and of course CELEBRATING EARTH DAY with one another. They hope to see a few Daybreakers Saturday starting at 9 AM - they will have trash bags, gloves, weed spray. Please bring your weed eater if you would like

PROGRAM:

Musician scholars' recognition:
