From David Uhl (World Polio Chairman District 6690): I wanted to take a moment and provide some quick information about WPD. DG Gary is asking for the participation of all 60 clubs in District 6690 this year as we move toward total eradication of Polio around the world. How will you and your club join in the efforts to End Polio this year? Much of this info was covered this Spring at PETS. Briefly: **World Polio Day is October 24th, 2019.** We are asking that each club hold a World Polio Day event sometime in Sept, Oct, or Nov. Your event should both raise awareness regarding Polio eradication as well as money for PolioPlus. The District is asking that each club set a goal to raise $1,500 to End Polio during the event. Remember that every dollar you raise throughout the year will be matched 2 to 1 by the Gates Foundation. In addition to the above, please consider a program/speaker on the topic of Polio Eradication at your club meeting sometime in the next few months. There are several Rotarians available to come to your club to speak about our ongoing efforts to End Polio (an excerpt from his email—**RT**).
