## Club Update: Moving Locations

By Lynsey B. Dinovo on Friday, June 19, 2020

Did you know? We've outgrown our space and need to move locations! Our wonderful venue search committee researched several new venues and had a few really amazing locations to consider. It was humbling to see how many places were willing to support our Rotary Chapter! After much deliberation and consideration, the Board has voted to move to Brookshire Event Venue space. Our regular in person meetings will return slowly in July, with regular meetings starting back up in August (we hope!). Don't miss out - if you haven't received any recent communications from George, please let him know.

We look forward to seeing you soon!

### Upcoming Meetings

June 29 - Induction via Zoom

July 13th - In person meeting with the option to attend via Zoom

July 27th - In person meeting with the option to attend via Zoom

August 3rd - Return to all in person meetings

**A big THANK YOU to Source Point for some many years of lovely meetings and lunches. We will miss your hospitality.**

## 2021 Excellence in Teaching Awards - Launched!

Tuesday, February 2, 2021

When teachers signed up to be teachers, little did they know they'd have to "pivot" their entire way of working in the blink of an eye and learn how to teach virtually during a global pandemic! We want to take this time to recognize those teachers who make a difference in our community. We know teachers are special every year, however, we hope to have even more nominations this year given the amount of time, effort and care teachers have given their students. Take the time to recognize a teacher today!

**Nominations are due March 8th - [Nominating forms can be found here.](#)**

Any state-certified, full-time teacher of grades K-12, who is employed by an accredited school in the Delaware Rotary Club district (Delaware City Schools, Buckeye Valley Local Schools, Delaware Christian School, St. Mary's Catholic School, Delaware Area Career Center, and Orlentangy Berlin High School) is eligible for nomination in the current school year. Awards will be presented May 3, 2021 during the Rotary Club of Delaware's weekly meeting. (One award may be presented at each level: elementary, middle, high school, and K-12 special education.)

**Students, colleagues, administrators, or the general public may nominate. Teachers and immediate family may not nominate themselves or a family member**
