Our CitizenAID trauma kits reach the Donbass region of the Ukraine! Really exciting news to share! After a successful Taste of Granville in late April, we were able to donate \$5,000 to CitizenAID, a local non-profit, who is shipping trauma kits and providing training in their use, to the people of the Ukraine.

Our kits have now reached the Donbass region and are being distributed to locals in need.

A huge THANK YOU to everyone who attended or supported our Taste of Granville

event. We are making a difference because of you!

Join the 125 Club

District Governor Price Finley has come up with a simpler way to join the 125 Club! See her message below for full details on how to join:

I have shared that we would like to see 1500 Rotarians become 125 Club members this year. And, as I have traveled the District several of you have mentioned how complicated it is to make those two contributions (\$100 to the Annual Fund and \$25 to Polio Plus). Well, I am excited to announce that we have now made it easier than ever for you to make your contribution. The district has partnered with [Give Butter](#), an alternative virtual fundraising platform. Now, all you have to do is visit <https://givebutter.com/125> club to make your contributions. A one stop shop! So, if you have yet to make your contribution, I encourage you to do that now!!

I mentioned above that we are ahead of last year with our Annual Fund giving (Thank You Rotarians!). However, we are lagging a bit in our contributions to Polio Plus. So, if \$125 is not in the budget, I ask you to consider making the \$25 contribution to Polio Plus. If every Rotarian in our District gave just \$25 to the Polio Plus campaign, we would be able to donate over \$81,000 towards the eradication efforts! And, with the 2 to 1 match by the Bill and Melinda Gates Foundation, our District alone would contribute over \$243,000 this year towards this very important effort. It's our promise to the children of the world that we will eradicate this devastating disease. So please consider making your contribution today!
