Noon Rotary Members,

This week's program will be a Rotary Remembrance for Mark Bradley. Johnny Wharff and Pat Peoples are heading this up.

Please be reminded that you have a service opportunity this Thursday, Aug. 25, 4:30 pm, bike path entrance, under Putnam St. bridge. This will be the fall bike path/park clean up.

Rotary Rush committee work continues. If you have ideas for fundraisers for auction items, please let Terry or I know.

As promised, there is now an opportunity to donate online to Kentucky flood victims directly to our southern Ohio border. You may need to copy and paste this link into a browser. I checked it. It works if you copy and paste it into a new browser. It may not work as a hyperlink.

Club members in our District 6690 have been assisting the Pikeville Rotary Club in District 6740 with their efforts to collect funds for the people of Eastern Kentucky whose lives have been lost or devastated by recent flooding. The Pikeville, KY Rotary club will serve as the district's point of contact for contributions to a 501(c) (3) fund, through an account with the Pikeville Community Foundation.

We are truly grateful to ALL the Rotarians from all over the United States who have come together to assist in their disaster relief efforts. The response has been extremely overwhelming. They are now past the rescue mode and are engaged in relief and rebuilding. 100% of every dollar donated is going directly to people in need.
